I wish to thank everyone who has sent me info on my Cutbirth Family, which is from my mother's line. This line has several different spellings.

I started this back in 1969 and all my grand parents were gone but still had many other members of their family I could call on to get info. Otherwise I worked at the court house, library and cemeteries to find info that I could.

I with others spent many a week at the Ft. Wayne, IN library, Salt Lake City library, Madison, WI library and many hours at Columbia, MO library just about every year from when I started. There was 4 of us who went to Iowa City every month during the good weather but now one has moved, one has passed and the other can't get out any longer and no fun to go by your self. So decided it was time to stop.

This was before the internet so didn't have that to rely on but was just as well as have found a lot of wrong info on the internet. (I can't say mine is all right either) As much of it was not able to be proven for sure so just had to go by what we could find. But if anyone has proof of what you find is wrong in any of my books I would appreciate knowing it. We know every one is not 100% right as no one is perfect, even in research. New Data June 2017-GLT

So hope these books will be appreciated and enjoyed as much as I had putting them together. But I think now is the time to turn them over to someone else to enjoy as I can't get to the libraries any longer and only the internet to rely on and that isn't as much fun as going to the places where your ancestor's walked themselves.

You will notice different address's but the one above is correct.

HUSBAND - John/James JEMISON-92

Sources: Different sources have said her father was James and some have said John. To date I have not located any info other than they were of Scotch ancestry, which fits with the Jamison Family Histories that say 3 brothers came here from Scotland and this is where the family originated and all in America are from these 3 brothers. The name has been spelled several ways from Jimerson to Jemison to Jamison/Jameson. Probably came from the Jamison name.

*Several John Jameson in
Nelson Co 14y Sep list from
1803 to 1813 when stopped

WIFE -

CHILD 1 - Mary JEMISON-78

Sources for Mary: Info from several working on this line, also research I did at court houses, cemetery records, census records.

BIRTH: Cemetery stone gives birth and death date. Census give approx. date. Not for sure where she was born, in PA or possibly VA. Sources have said her father was James Jimmerson and some have said John Jemison. There was a John Jemison in Nelson Co. KY but no James in census/tax records.

MARRIAGE: Located her marriage record from a book at Ft Wayne, "Marriage Records for Nelson Co. KY 1785-1815" by Elizabeth Ellsberry and would be recorded at Bardstown, Nelson Co. KY. of which I need a copy. Name spelled Isaac Bowley and Mary Jimmison.

DEATH: Cemetery stone gives birth and death date. Have pictures of their stones in Boley-Lahue cemetery. Only record of his estate was located in Corydon, Harrison Co. IN in Box 109 dated Aug 1863. Which was final settlement of his estate filed by John Riley administrator. He left 6 children living and the descendants of four children. Already given to 4 children.

1790 Have not located her in census as not sure who am looking for, would be 2

1800 Have not located her as would be ca age 12. There are numerous Jamisons in KY with various spellings in several counties. There is a James Jamison in Lincoln Co. and one in Mercer Co. KY.

1810 Also have not located Isaac and would be married and abt age 30 yrs. Prob. in KY as was married in Nelson Co. KY 1806.

1820 Washington Co. IN one Isaac Bowler?, which could be Isaac Boley as no other in Harrison Co. IN.: Isaac Bowler? males to 10=1 10/16=2 18/26=1 26/45=1 (Isaac would be 40 yrs of age). Females to 10=1 10/16=1 16/26=2 26/45=1 and 3 agriculture.

There is one James Jammison in Harrison Co. In age 26/45 with wife and 5 daughters. This maybe a brother, doubt would be father.

1830 Harrison Co. Harrison Twp. IN: Isaac Boley males to 5=1 10/15=1 15/20=2 20/30=2 40/50=1. Females to 5=1 5/10=1 10/15=2 15/20=2 40/50=1

Jamison means the son of James. Several different
spellings. Jameson/Jamison/Jamieson/Jemison.

Was said all came from one common ancestor in SCOTLAND.
(My info abt Mary said she was of Scotch ancestry.)

The name and its variants had its origin in a highland
Clan, the Clan of Gunn of extreme N of Scotland in
what is now Sutherland and Caithness.

Original founders of the clann were Norseman.

The Genealogical derivation of this Clan is from Guin,
2nd son of Olans or Ollar the Block, King of Man & the
the Isles, who d. in 1237. The Gunn Clan had a chief of
its own name and a castle of its own. The Surname of

Tradition does not tell how or when he lost the 'e' out of his name (the name is spelled Jamison in this paper), but the writer thinks he got so badly 'rattled,' while the pirate had his hands in his pockets, that he never could remember how many letters there were in his name originally."

The surnames Jameson, Jamison, Jamieson, and Jemison are derived from the Baptismal form meaning "The son of James." The Family have all come from a common ancestry in Scotland. The Jameson name and its variants had its origin in a highland Clan, the Clan of Gunn. The Family lived in the extreme north of Scotland in what is now Sutherland and Caithness. The best authorities agree that the original founders of the Clan were Norsemen. The genealogical derivation of this Clan is from Guin, second son of Olans or Ollar the Black, King of Man and the Isles, who died in 1237. The Gunn Clan had a chief of its own name and a castle of its own. The surname of MacKames was translated into the English equivalent of Jameson.

"The Jamisons in America in all branches of the sept with entire unanimity trace their lineage and ancestry to Scotland. In times of religious persecutions and political disturbances many fled to different parts of Ireland, and from whence, they or their descendants sailed to America, while others have come directly from Scotland to America. Those who found homes temporarily in the North of Ireland, on their way to this country, have long been favorably known on this side of the water as 'Scotch-Irish.' This not because of even a drop of Irish blood in their veins, for the Scotch immigrants did not intermarry with the Irish people in whose country they lived for a season. They

The surnames Jamison, Jamieson, and Jackson are derived from the Egyptian form meaning "The son of James." The family have all come from a common ancestry in Scotland. The Jamieson name and its variants had its origin in a Highland Clan, the Clan of Gunn. The family lived in the extreme north of Scotland in what is now Sutherland and Caithness. The best authorities agree that the original founders of the Clan were Norsemen. The genealogical derivation of this Clan is from Gunn, second son of Olaf of Olaf the Black, King of Man and the Isles, who died in 1237. The Gunn Clan had a chief of its own name and a castle of its own. The surname of MacJamieson was translated into the English equivalent of Jamison.

"The Jamiesons in America in all branches of the race with entire unanimity trace their lineage and ancestry to Scotland. In times of religious persecutions and political disturbances many fled to different parts of Ireland, and from whence, they or their descendants sailed to America, while others have come directly from Scotland to America. Those who found homes temporarily in the North of Ireland, on their way to this country, have long been favorably known on this side of the water as 'Scotch-Irish'. This not because of even a drop of Irish blood in their veins, for the Scotch immigrants did not intermarry with the Irish people in whose country they lived for a season. They

mostly occupied different parts of Ireland, and were very wide apart in their social customs and in their religious sympathies."

The Jamisons were thoroughly Scotch and very generally Presbyterians. They built their first church in Antrim in 1613.

Since intermarriages of the Scotch Saxons with the Irish were very rare, the Scotch remained nearly as distinct as it was on the day of settlement in Ireland. However, in the course of time, as a result of persecutions and for other reasons, they resolved to seek new homes across the Atlantic in America.

This emigration began during the early part of the eighteenth century, and increased every year for quite some time. A large number landed at New Castle and at Philadelphia. Then proceeding to the interior of the country, they settled in different parts of Pennsylvania, and especially in York and Bucks Counties.

Tradition states that three brothers who emigrated to this country established three separate branches of the Family. One settled in Virginia and spelled his name Jameson; the second settled in South Carolina and spelled his name Jamieson; while the third spelled his name Jamison and settled in Pennsylvania. This illustrates the variety of spellings of this name even by members of the same Family.

The Jamison family in America has been characterized in general by love of adventure, reckless courage, initiative, and capacity for leadership. Members of the Family have been outstanding as soldiers, statesmen, educators, physicians, clergymen, and businessmen.

The Scotch-Irish, in the Revolutionary War, were conspicuous in all the colonies for their patriotism, self-sacrifice and bravery. They were not less so in the Civil War and the World Wars I, II, and the Korean War. They

mostly occupied different parts of Ireland, and were very
wide apart in their social customs and in their religious
sympathies.

Presbyterians. They built their first church in Antioch in
1813.

spicuous in all the colonies for their patriotism, self-

have held high positions in all branches of the service, and the state. It has been stated by good authority that "The Scotch-Irish, which numbers hardly one-eighth of our population, has furnished one-fourth of our Presidents!"

May the future generations of Jamisons maintain the high level of their noble ancestry.

Never come across this meaning of the name before: From Ancestry: Boley Family History:
 South German: Patronymic from a personal name derived from Pelagius (from Greek Pelagios, a derivative of pelagos "sea"; compare Spanish Pelayo). Saint Pelagius is the patron saint of Constance. English: variant of Bulley

We know for a few generations they came from the Bavarian part of South Germany, which is close to the Austrain border and

Info from several working on this line, also research I did at court houses, cemetery records, census records.

BIRTH: Cemetery stone gives birth and death date. Census give approx. date. Not for sure where he was born, in PA or possibly VA. There were some Boley's in Washington, Fayette Co. PA and maybe he was from there? One source thought he was son of Anthony Boley of Allegany Co. PA.

Husband	*Isaac Boley
Wife	Mary Jemison-Jimmison
Notes	HUSBAND - *Isaac Boley (Continued) 1st mg could be mother of Margaret Wise (1799- aft 1850) Not located wifes name to date. 2nd MARRIAGE: Located his marriage record from a book at Ft Wayne, "Marriage Records for Nelson Co. KY 1785-1815" by Elizabeth Ellsberry and would be recorded at Bardstown, Nelson Co. KY. of which I need a copy. Name spelled Isaac Bowley and Mary Jimmison. Also a marriage for one Thomas Bowling to Eleanor Hutchins 3 Feb 1807, that maybe Bowley/Boley (a brother?) CHILDREN: It has been stated Margaret Boley who md Jacob Wise was dau of Isaac Boley. This is the only Isaac Boley that we have located so then comes down to that Isaac was married first to someone before he married Mary Jemison in KY? No record of who. She was living with him in 1850 census as age 51 and Isaac was 67 (would have been 16 if father when she was born but if right age b. 1780 would have been 70 and then been 19 so would fit). DEATH: Cemetery stone gives birth and death date. Have pictures of their stones in Boley-Lahue cemetery. Only record of his estate was located in Corydon, Harrison Co. IN in Box 109 dated Aug 1863. Which was final settlement of his estate filed by John Riley administrator. Original inventory filed 31 May 1860. Estate worth \$4341.47 minus vouchers totaling \$685.13 with final estate as \$3656.34. This was to be distributed among his heirs. He left 6 children living and the descendants of four children. Already given to 4 children. CEMETERY: Boley Lahue cem located in the extreme southeastern corner of Jackson Twp, in the northwest quarter of Sec 10, twp 3 south, Range 4 west, approx. 1 1/2 miles south of Crandall. 1790 Isaac would be abt 10 yrs of age and prob. with parents if were located. 1800 Isaac would be abt 20 yrs of age and not know where he is. Need to check PA index again to see if can locate him. Maybe Washington, Fayette Co. PA. Maybe allready in KY? There was only one John Boley in Nelson Co. KY and nothing that looks like Isaac, which the census was taken from the 1800 tax list. 1810 Also have not located Isaac and would be married and abt age 30 yrs. Prob. in KY as was married in Nelson Co. KY 1806. 1820 Washington Co. IN one Isaac Bowler?, which could be Isaac Boley as no other in Harrison Co. IN.: Isaac Bowler? males to 10=1 10/16=2 18/26=1 26/45=1 (Isaac would be 40 yrs of age). Females to 10=1 10/16=1 16/26=2 26/45=1 and 3 agriculture. 1830 Harrison Co. Harrison Twp. (if age right Isaac would been father to Margaret at age 16 so she could be his sister). Althought no one has said Isaac had a sister, only brothers? Some have said this Margaret Wise was daughter of Isaac Boley but if ages were right Isaac would have had her at age 16 But if she was born 1799 after he married the 1st time she was his dau. and he also had another daughter Margaret b. 1818 and died 1819 from 2nd mg The marriage licence of Margaret when she md Jacob Wise did state Margarets father was Isaac Boley. Could be possible that Isaac was married first to (?) and had Margaret and then married Mary Jemison. Both had died by 1860 census. Isaac bought a lot of land in Harrison Co. IN (haven't checked what he sold to date). Checked records and have abstracted just the particulars at this time. 25 May 1822 Bk D pg 14 Warr. \$8.00 2 acres from Farmer Manning. 19 Aug 1828 Bk E pg 376 Warr. \$125.00 30 acres from Melton Burford. Have located her name spelled many different ways: Gemison, Jammerson, Jemison, Jamison, Jemmison but if came from the early family of Jamison, of which haven't found a connection yet her name is probably suppose to be Jamison. Could be Jimmison. BIRTH: Cemetery stone gives birth and death date. Census give approx. date. Not for sure where she was born, in PA or possibly VA. Sources have said her father was James Jimmerson and some have said John Jemison. There was a John Jemison in Nelson Co. KY but no James in census/tax records. To date I have not located any info other then they were of Scotch ancestry, which fits with the Jamison Family Histories that say 3 brothers came here from Scotland and this is where the family originated and all in America are from these 3 brothers. The name has been spelled several ways from Jimerson to Jemison to Jamison/Jameson. Probably came from the Jamison name.
	Researched several Quarterlies that was listed in Persi on Jamison and didn't see any connection.
	One quarterly "Leaves of Greene" Vol 8 # 3 Apr 1987: John Jamison Family, Ohio Listed Jameson line from Scotland 1756. John A. Jameson wrote the article his grandfather was John Jameson b. 1784 and great grandfather was George Jameson.

Spouse: Sarah LaHue 1820-1856. Listed 5 of 9 children and 8 siblings with dates. burial Boley-Lahue cem, Harrison Co. IN. (copy)

Info from Mrs Dunlap St Louis 1973, James O. Boley 1976, The Lahue book and much research I have done from court house records, census records and cemetery records.

BIRTH: Cemetery records and stone say d. 17 Jul 1856 at age 40 yrs 2 mo 22 days which calculates to birth date of 25 Apr 1816. Census records in 1850 list him as age 35 and that would show ca 1815. Correspondence with others have given the 15 May 1815 date as his birth. I am going to use the cemetery date for now.

MARRIAGE: Marriage was recorded at Corydon, Harrison Co. IN, book and pg not copied. Have copy of their licence. They were married by Henry Bonebrake. Notation in the mg affidavit: Sarah consent by father, Spencer Lahue and Nicholas age proven by Isaac Hendricks. Nicholas would have been 23 and Sarah 17 when married. If birth date of 1816 is correct Nicholas would have been not quite 22 yrs of age, which maybe is why he had his age proven. No age appeared on the licence.

DEATH: Nicholas died 4 months before Sarah and his probate record is recorded at Harrison Co. IN. Have a copy but don't remember where it is filed. His age at the time of death on grave stone was 40 yrs 2 mo 22 days. Sarah died at age 34. William Blankenbaker was appointed as guardian of the younger children, Henry, Martin, Adaline, Caroline, Melvina, Darthula, Mary E. and Isaac G. Also have a copy of sale bill and personal property sale bill. Recorded Bk C pg ?. Harrison Co. IN. Thomas C. Slaughter adm. of will. There were several items on the sale list. Have been to the cemetery and have pictures of stones of Nicholas, Sarah and the children that are buried at the Boley-Lahue cemetery. The death date on his stone says 17 Jul 1856 age 40 yrs 2 mo 22 days.

CEMETERY: Boley Lahue cemetery located in the extreme southeastern corner of Jackson Tpw in the northwest quarter of Sec 10, twp 3 south, Range 4 east, approx 1 1/2 miles south of Crandall.

1830 Harrison Co. IN: Nicholas would be ca age 15 and prob. with parents.

1840 Harrison Co. IN: Nicholas Boley listed with males to 5=1 20/30=1 and females 20/30=1.

1850 Harrison Co. IN pg 625 #422/423 23 Aug: Isaac Boley 67 PA farmer, Margaret Wise 51 VA, Henry Wise 15 IN, NICHOLAS BOLEY 35 KY, Sarah 28 IN, Henry 11 IN, Martin 9 IN, Adaline 7 IN, Caroline 6 IN, Darthula 4 IN, Melvina 4 IN, Mary E. IN.

Notes CHILD 8 - Elizabeth Boley Info from Mrs Dunlap, St Louis 1973 and James O. Boley 1979 and the Lahue book. Info on the children's birth dates were listed in Elizabeth's pension application. Maybe Jackson died in Crawford Co. IN? Elizabeth and their minor children resided in Crawford Co. IN in 1860 when the Harrison Co. Court appointed John Riley as guardian of the minor children. Elizabeth applied for a dependent mothers pension in 1883, based on her son Isaac's service in the Union Army (Isaac died 1868 of disease contracted in or caused by hardships of army service). On her application, Elizabeth stated that her husband had left her and the children a farm of 117 1/2 acres of badly worn and poor land. She and the children had remained on the land, working it the best they could and in winter she had "spun yarn", quilted and sewed, etc., barely managing to get along, especially while three of her four sons were in the army. After the war, she had sold her interest in the farm and in 1877 had moved from Leavenworth in Crawford Co., to Parke Co. IN (P.O. Leatherwood), where in 1883 she owned a little over two acres. CHILD 9 - Julia Ann Boley Only didn't locate Lutticia in Find A Grave, or Julia Ann. Info from Mrs Dunlap, St Louis 1973 and James O. Boley 1979. Marriage recorded at Corydon, IN. He was united with the Neeper Christian church early in life and later moved his membership to Kahoka where he was a faithful member and was serving as Elder at the time of his death.

newspaper clipping:

W. J. BROTHERTON DIES THURSDAY

W. J. Brotherton, 74, of Ashton died at the ferry landing at Alexandria Thursday afternoon, August 18, about 2:00. Mr. Brotherton and his grandson, Jackie J. Watson, of Kahoka, had gone to Alexandria and were to take the ferry to Warsaw, Ill. which is just across the river. When Mr. Brotherton drove upon the levee Jackie got out of the car and went down to the ferry which was at the dock, and was talking to the operator of the ferry, when they looked up and saw Mr. Brotherton in the car coming down the levee toward the boat. The car came upon the ferry but did not stop, but ran the length of the craft, broke through the chain railing and plunged into the water. It is thought that Mr. Brotherton suffered a heart attack and lost control of the car. The Keokuk fire department was called to bring a respirator. Sheriff Chas. Milligan and Coroner P. S. Borton, both of Kahoka were also called. Johnny Daw of

Alexandria who was at the scene, began diving in an effort to locate the car, which he found in about 20 feet of water a few yards down stream from where it went off the ferry. Daw on first attempt put the chain around a wheel, which happened to be the spare and it was brought to the surface. After several attempts he managed to get it fastened to the car and attempts were made to pull it out with a truck, aided by motor boats, but their

attempts were futile. Neeves Wrecker service of Kahoka was called and after a few minutes pulled the car to the shore. Mr. Brotherton's body was in the car, and the Keokuk Fire Department worked in vain to restore life. Otis Gutting brought the body to the Gutting Funeral Home in Kahoka. The car, a 1949 Ford V-8 was badly damaged and was brought to Kahoka by Mr. Neeves. The account of the tragedy as told in the Keokuk Gate City follows in part:

Brotherton and a grandson had gone to the levee, where Brotherton stopped the car and sent his grandson ahead to inquire of the ferry rates. The young man and the ferryman were engaged in conversation when both suddenly noticed the Brotherton car start at the top of the levee and began a fast descent down the steep road to the ferry boat. The car was coming so fast that it narrowly missed the ferryman who frantically jumped aside just as the car brushed past him. It hit the dip between the river's edge and the incline up to the ferry with such force, the ferryman said, that the car literally bounced up on to the ferry. It tore along the barge brushing the side, bounded up again over a metal guard chain and forced the other end of the ferry approach down, then slid into the river, floating along for 20 feet and slowly sank to the bottom in about 15 feet of water. Dale Kopsicker of Warsaw, the ferry operator, told Dr. P.S. Borton, county coroner, called to the scene together with Sheriff Chas. Milligan of Kohoka, that as Brotherton passed him in the car he noticed an almost lifeless expression on the man's face. He said it seemed Brotherton had suffered a heart attack or a stroke and apparantly "froze" at the wheel. A son, Boley Brotherton of Ashton, arrived at the scene during the afternoon and reported his father had been suffering from a heart ailment for some time. Brotherton lost his legs in a train accident at Ashton, many years ago. He was said to have been mailing a letter when in some manner he fell beneath the train and the legs were severed. He had been able to get around fairly well and even drive his car satisfactorily with artificial legs. Keokuk firemen were called shortly before 2 o'clock Thursday afternoon to give artificial respiration, in the event Brotherton's body could be recovered from the river in time. They waited on the shore for more than an hour, but extreme difficulty was encountered in hooking sufficiently strong cables and chains on to the car and pull it to shore against the current. A large truck belonging to Fred Melcher was first used but it could not get sufficient leverage. Soon a large wrecker from Kahoka by use of special cables fastened to the car by divers at the bottom of the river, pulled the 1950 Ford to shore. John Daw, Junior and Henry Rockhold and Bob Dunlap worked throughout the entire operation to keep the cables securely hooked to the car. Albert Davis also assisted with his boat along with another by Dick Smeltser. Many others also assisted in holding the cables and chains while they were being transferred from one truck to the wrecker. Dr. Borton said no inquest would be held. Little water was found in his lungs when the body was recovered corroborating the ferryman's observation of a peculiar expression on Mr. Brotherton's face as he sped by him on the ferry, indicating either heart failure or stroke.

Dear Jack,

Sorry to be so long in answering after I received your family info on the Boley's but just at the time I had received it my husband died and had to go thru that process and had several things to do and hadn't gotten back into genealogy until now. Do want to thank you for the info as was a little more detailed then I had as you could see from what I had sent you.

I haven't done anymore on the family. Did get an e-mail from a cousin who also lived in CO, probably fairly close to you. Gary W. Watson, 1155 Ash #703, Denver, CO 80220. He descends from Isaac and Mary Jemison Boley and their daughter Sarah Jane Boley who md Gaines Lahue so he did fill me in on that family.

He was also looking for info on Isaac Boley and his parents, of which still no one knows for sure.

Send me your e-mail address again if you have one. My new one is gladys.treadway@juno.com if you are on the internet, I can't remember as it had been since last of Feb we last corresponded.

I noticed some differences from your info and what I had, not saying mine is correct either but will have to check it out. Catherine and John Kimport had another son Franklin 1872-1914 buried same cem as parents.

Isaac Boley 1836-1917 was married 1st to Margaret E. Shuelzt and they had two daughters, Clara Ellen b. 1861 who md Sylvester Sollers 1880 and had 3 children and Eliza Jane b. 1868. Then he md Mary Davidson and John M. was their first child. Also according to cemetery stone and obituary Isaac died 22 June 1917, you had 27 June.

James Boley, son of John D. was born 22 May according to cemetery stone and md 5 May 1870 is what I had. James and Hulda also had

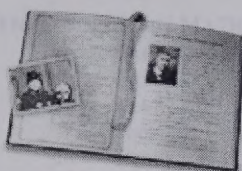

4 children, Willis E. b. 1871 and Emory C. 1874, besides the two you listed, John D. and George.

Sarah Elizabeth dau of John D. according to her obit of 9 Jan 1925 pg 4 col 3 Kahoka paper died Jan 2, 1925 not Feb 2. Also born 20 Feb 1844 according to obit and cemetery stone. They had 8 children, you had listed 3. I have the rest if you want them.

Henry Franklin son of John D. according to obit was born 10 Mar and cemetery stone. Their son Lawrence Marion Boley died 29 May according to Soc Sec Death Index, you had 28th which could be.

Just thought would pass on these differences as if I am wrong, I want the info corrected and if you are then that needs to be corrected as well, so that we all agree on the info. And it is correct according to all records.

Sincerely, your 4th cousin

Husband	*Isaac Boley
Wife	(female) ?Unknown
Notes HUSBAND - *Isaac Boley *Find A Grave internet site listed Isaac birth and death date as shown on pic of his grave marker Marriage to Mary Jimmison 19 Jun 1806 Lincoln Co. KY. 1787-1849 (namd also spelled Jemison?) Listed 9 of 12 children with dates. Burial Boley-Lahue Cem, Harrison Co. IN. (copy) Never come across this meaning of the name before: From Ancestry: Boley Family History: South German: Patronymic from a personal name derived from Pelagius (from Greek Pelagios, a derivative of pelagos "sea"; compare Spanish Pelayo). Saint Pelagius is the patron saint of Constance. English: variant of Bulley We know for a few generations they came from the Bavarian part of South Germany, which is close to the Austrain border and Info from several working on this line, also research I did at court houses, cemetery records, census records. BIRTH: Cemetery stone gives birth and death date. Census give approx. date. Not for sure where he was born, in PA or possibly VA. There were some Boley's in Washington, Fayette Co. PA and maybe he was from there? One source thought he was son of Anthony Boley of Allegany Co. PA. 1st mg could be mother of Margaret Wise (1799- aft 1850) Not located wifes name to date. 2nd MARRIAGE: Located his marriage record from a book at Ft Wayne, "Marriage Records for Nelson Co. KY 1785-1815" by Elizabeth Ellsberry and would be recorded at Bardstown, Nelson Co. KY. of which I need a copy. Name spelled Isaac Bowley and Mary Jimmison. Also a marriage for one Thomas Bowling to Eleanor Hutchins 3 Feb 1807, that maybe Bowley/Boley (a brother?) CHILDREN: It has been stated Margaret Boley who md Jacob Wise was dau of Isaac Boley. This is the only Isaac Boley that we have located so then comes down to that Isaac was married first to someone before he married Mary Jemison in KY? No record of who. She was living with him in 1850 census as age 51 and Isaac was 67 (would have been 16 if father when she was born but if right age b. 1780 would have been 70 and then been 19 so would fit). DEATH: Cemetery stone gives birth and death date. Have pictures of their stones in Boley-Lahue cemetery. Only record of his estate was located in Corydon, Harrison Co. IN in Box 109 dated Aug 1863. Which was final settlement of his estate filed by John Riley administrator. Original inventory filed 31 May 1860. Estate worth \$4341.47 minus vouchers totaling \$685.13 with final estate as \$3656.34. This was to be distributed among his heirs. He left 6 children living and the descendants of four children. Already given to 4 children. CEMETERY: Boley Lahue cem located in the extreme southeastern corner of Jackson Twp, in the northwest quarter of Sec 10, twp 3 south, Range 4 west, approx. 1 1/2 miles south of Crandall. 1790 Isaac would be abt 10 yrs of age and prob. with parents if were located. 1800 Isaac would be abt 20 yrs of age and not know where he is. Need to check PA index again to see if can locate him. Maybe Washington, Fayette Co. PA. Maybe allready in KY? There was only one John Boley in Nelson Co. KY and nothing that looks like Isaac, which the census was taken from the 1800 tax list. 1810 Also have not located Isaac and would be married and abt age 30 yrs. Prob. in KY as was married in Nelson Co. KY 1806. 1820 Washington Co. IN one Isaac Bowler?, which could be Isaac Boley as no other in Harrison Co. IN.: Isaac Bowler? males to 10=1 10/16=2 18/26=1 26/45=1 (Isaac would be 40 yrs of age). Females to 10=1 10/16=1 16/26=2 26/45=1 and 3 agriculture. 1830 Harrison Co. Harrison Twp. IN: Isaac Boley males to 5=1 10/15=1 15/20=2 20/30=2 40/50=1. Females to 5=1 5/10=1 10/15=2 15/20=2 40/50=1 1840 Harrison Co. IN: Isaac Bowley males 10/15=1 50/60=1 and females 10/15=1 15/20=1 50/60=1 1850 Harrison Co. IN pg 625 #422/422 23 Aug: Isaac Boley 67 PA (1783) farmer, Margaret Wise 51 VA (1799), Henry Wise 15 IN, Nicholas Boley 35 KY, Sarah 28 IN, Henry 11 IN, Martin 9 In, Adaline 7 In, Caroline 6 IN, Drathula 4 In, Melvina 4 IN, Mary E. 1. (if age right Isaac would been father to Margaret at age 16 so she could be his sister). Although no one has said Isaac had a sister, only brothers?

HUSBAND - *Isaac Boley (Continued)

Some have said this Margaret Wise was daughter of Isaac Boley but if ages were right Isaac would have had her at age 16 But if she was born 1799 after he married the 1st time she was his dau.

and he also had another daughter Margaret b. 1818 and died 1819 from 2nd mg The marriage licence of Margaret when she md Jacob Wise did state Margarets father was Isaac Boley. Could be possible that Isaac was married first to (?) and had Margaret and then married Mary Jemison.

Both had died by 1860 census.

Isaac bought a lot of land in Harrison Co. IN (haven't checked what he sold to date). Checked records and have abstracted just the particulars at this time.

"Portrait & Biographical Album of Lee Co. IA by Chapman Brothers, Chicago 1887" Pg 577--Has bio of John Boley, son of Isaac. Stating John native of Boyle Co. KY born 1807. Father of Pa parentage & birth and went to KY & mother of Scottish ancestry.

James O. Boley had sent me some info on Tax records of KY on the Boleys. Only 1814 Isaac Boley listed with one male over 21 and one horse. There was a John Boley 1803 73 acres Dicks River, Lincoln Co. and 1804 John Boley 130 acres and Elijah Boley 100 acres, James Boley as well. 1809 John Boley 130 a. Dicks River, Lincoln Co. 1816 John Boley 86 acres. One John Boley died 1811 there with estate appraisal at Bardstown but nothing else, so not sure which John this is. Father to Isaac or brother? Appraisal 48 pounds, 9 shillings, o pence. No other settlement or guardianship of children located.

Dicks Creek is along east side of Boyle county and flows into Kentucky River.

WIFE - (female) ?Unknown

If Margaret Boley who md Jacob Wise was dau of Isaac Boley and we have only located the one that married Mary Jemison in 1806 and Margaret born ca 1799 stands to reason Isaac was married before and she was his dau and his

Husband	*Isaac Boley
Wife	(female) ?Unknown
Notes WIFE - (female) ?Unknown (Continued) first wife would probably have died before 1806. There seems to be a marriage in Nelson Co. KY 1798 that could be Isaac Boley and have no name for her to date. She would be Margaret's mother. CHILD 1 - Margaret Boley MARRIAGE: Marriage record of Margaret Bowley to Jacob Wise recorded Bk 1 pg 20 of Harrison Co. IN listed Margaret's father as Isaac Bowley. We have only located one Isaac Boley and unless he was married first to the mother of Margaret, which is possible as he would have been 19 and was thought to have been in Virginia after leaving PA before going to KY. Have not located another Isaac Boley/Bowley in KY at that time either. She could be a sister to Isaac or related some other way but it is beginning to look like he was her father. 1850 Harrison Co. IN list Margaret Wise age 51 in household with Isaac Boley age 67 and Mary Jamison Boley and Margaret's son Henry Wise age 15. (Isaac's age could be off few years which would fit better for Margaret to be dau). She was dau by Isaac's first marriage. He also had a daughter Margaret with his 2nd wife who was born 1818 and died 1819.

Husband **Jacob Wise**

Wife **Margaret Boley**

Notes

HUSBAND - Jacob Wise

MARRIAGE: Mg recorded Harrison Co. IN Bk 1 pg 20.

DEATH: Believe died before 1850 as wife and son living with Isaac Boley and Mary Jemison Boley with their son Henry age 15 at that time.

WIFE - Margaret Boley

MARRIAGE: Marriage record of Margaret Bowley to Jacob Wise recorded Bk 1 pg 20 of Harrison Co. IN listed Margaret's father as Isaac Bowley. We have only located one Isaac Boley and unless he was married first to the mother of Margaret, which is possible as he would have been 19 and was thought to have been in Virginia after leaving PA before going to KY. Have not located another Isaac Boley/Bowley in KY at that time either. She could be a sister to Isaac or related some other way but it is beginning to look like he was her father.

1850 Harrison Co. IN list Margaret Wise age 51 in household with Isaac Boley age 67 and Mary Jamison Boley and Margaret's son Henry Wise age 15. (Isaac's age could be off few years which would fit better for Margaret to be dau). She was dau by Isaac's first marriage.

He also had a daughter Margaret with his 2nd wife who was born 1818 and died 1819.

CHILD 1 - Mary Ann Wise

Mary Ann Wise married Isaac Boley 28 June 1840 (?Harrison Co.IN) and consent by Margaret Wise. Believe to be her mother?

1850 Harrison Co. IN list her age as 41 or 64, can't make out for sure, but both would be wrong if parents md 1818 and she would have been born abt. 1820 at least so by 1850 she would have been closer to age 30 and Isaac would have been closer to 41 if b. 1809. Their son George b. 1846 and son John b. 1849.

Next door to John Boley 74 PA, Mary 64 KY (believe to be parents of Isaac).

CHILD 2 - Henry Wise

1850 Harrison Co. IN census Henry age 15 with mother and Isaac Boley (appears more like he was father of Mother?)

HUSBAND - James Boley

*Find A Grave internet site listed his birth and death dates and places. Pic of his grave marker but broken and can't read it very well in the Bowman Cem, Donnellson, Lee Co. IA. Parents: Isaac Boley 1780-1860 and Mary Jimmison 1787-1849. Spouse: Martha Hubbard 1816- Lee Co. IA. 2 children 11 listed and 8 siblings all with dates. (copy)

Info from Mrs Dunlap, ST Louis and James O. Boley of Kansas. Hurst info has listed info of James Boley and Martha Patsey Hubbard and no children. Also said Martha Patsey died 1850. Dunlap and Boley says James md Mary Hubbard. Martha guardian for minor children in 1860. (she was a daughter, not wife?) #8-9-10-11 Lee Co. IA. There were two marriage records in Corydon, IN, one James Boley md Martha Patsey Hubbard 15 May 1834 and one James Boley to Mary Hubbard md 15 May 1834. Do we have two James Boley's that md same day or does this refer to one marriage with different names, yet same person's. Cemetery records in Lee Co. IA listing children of J and M. Boley. James is suppose to be buried in Bowman cem. also. Could James have been md twice? Has children born from 1835 thru 1855 if all his children.

James Boley's heirs were listed in estate settlement of father Isaac Boley rec. 1863 as follows all to received \$56.25: Mary Baker, wife of Henry Baker; Elizabeth Boley; Martha J. Boley; John A.J. Boley; Rebecca Boley (Martha Boley, guardian, same for next 3); Catharine Boley; Caroline Boley and Cynthia Boley.

1840 James would be ca age 30 yrs.

1850 James would be ca age 40. Need to check Lee Co. IA census.

1860 suppose to be deceased.

1870 Lee Co. IA pg 10 2nd ward Ft Madison 29 Jun #75/98: William Henshaw 75 hotelkeeper, Martha 54 (1816), Catherine Boley 22 IA dressmaker, Cynthia Boley 15 IA at home.

HUSBAND - James Boley (Continued)
 1880 not checked.

WIFE - Mary (Martha Patsey) Hubbard

*Find A Grave internet site listed her birth date and place, death unknown, Lee Co, IA Bowman Cem.
 Spouse James Boley 1810-1855, listed 2 children of 11, With dates (copy)

Not sure if Mary or Martha Patsey Hubbard. One mg record says Mary and one Martha Patsey, same date. One Martha Boley was appointed guardian for Catherine and Cynthia and had believed was sister Martha, not wife? Hurst info says he md Martha Patsey Hubbard and she was born 15 Dec 1816 Hurst Mill, Harrison Co. IN and died 9 Apr 1850. Parents of both James and Bethsheba Hurst Hubbard. Dunlap and Boley says he md Mary Hubbard b. 1813. There was one Martha who was married to William Henshaw by 1870 she was 54 yrs of age living in Ft Madison with Catherine Boley and Cynthia Boley, which could be her daughters if James married 2nd.

There are a lot of questions about this family that need to be sorted out.

There was a son John W. Boley who was born 1839 and nothing more on him until I found an obit of one Mrs Armita Jane Boley age 85 who died 30 Sep 1957 and said was md to John W. Boley of Scotland Co. MO in 1887. He died 7 Mar 1952 and they had 6 children, 2 preceding her in death. It this is this son, he would have been 48 when married and then had 6 children. Need to check census for this family and maybe find obit of John which would help.

CHILD 1 - Mary A. Boley

Info from Mrs Dunlap, St Louis 1973 and James O. Boley 1979. If Mary was born 1835 she couldn't be this Mary that md Henry Baker as according to census that Mary was born 1825. (I don't think this is right one) Although in estate settlement of grandfather Isaac Boley 1863 one of James Boley's heirs is Mary Baker, wife of Henry Baker who was to get \$56.25 from his estate. . Are ages in census all wrong?

1850 Harrison Co. IN pg 623 #409/409 22 Aug: Henry Baker 25 Germany farmer 500, MARY 25 IN, Catherine 4 IN, Mary 3 IN, George 1 IN, John 65 Germany, Conrad 40, John 25, Catherine 25.

1860 not checked.

1870 Lee Co. IA marion Twp. 14 Jun Saint Paul p.off. #175/168: ?Shirstock ?Crislo 34 Prussia farmer 6000-3000, ? Shersa 20 Prussia, Mary 1 MO, Henry 3/13 IA, Henry Baker 40 Prussia farm laborer. (same or different then one above?)

CHILD 2 - Elizabeth Boley

HUSBAND - Henry Baker

Info from Mrs Dunlap, St Louis 1973 and James O. Boley 1979. If Mary was born 1835 she couldn't be this Mary that md Henry Baker as according to census that Mary was born 1825. (I don't think this is right one) Although in estate settlement of grandfather Isaac Boley 1863 one of James Boley's heirs is Mary Baker, wife of Henry Baker who was to get \$56.25 from his estate. . Are ages in census all wrong?

Dear Mrs. Treadway,

The Sept./Oct. issue of the 'Helper' carries your query or "Roots" inquiry about Isaac Boley d. ^{1860.} Harrison County, Indiana.

I am interested in this Boley family and have Civil War pension papers of Isaac C. Boley, born in Corydon, Indiana 23 May 1836. He served in the Infantry Company I 41 Illinois Volunteers. He enlisted at Mt. Auburn, Illinois. However, he was married in Corydon, Harrison County, Indiana on Dec. 28, 1868, to Adaline Patterson. Perhaps this Isaac is the son of the Isaac Boley, d. 1860.

Would you like to exchange information about Boleys - I feel this is my family, too. My great-grandmother Elizabeth Mildred Boley Wright may have been a sister of Isaac Boley d. 1860. She was born in Campbell Co. Va. and married

Family Group Record

Elijah Allen Wright there in 1826. They moved to Tenn. shortly after 1830, and to Auburn, Illinois in the 1860's.

Do you have information on brothers and sisters of Isaac, Sr.? My grandmother, Selina Patterson Wright m. Anson Leonidas Jeffreys in Tenn. in 1857. They moved to Illinois in or near 1870.

If we are working on the same Boley family, I should like to exchange information with you.

Yours truly,
Louise J. Andrew.

INFO from the census of this cemetery taken 1940's by Frederick Porter Griffin and Samuel Pfrimmer Hays:

The Boley-LaHue Family Cemetery is located in the extreme southeastern corner of Jackson Township, Harrison County, Indiana -- in the northwest quarter of Section 10, Township 3 south, Range 4 east -- this is approximately one and one-half mile due south of Crandall. Five or six of the children of William and Hannah LaHue of Wythe County, Virginia emigrated to Harrison County at an early date. One of these sons, Spencer LaHue (1783-1858) married Margaret Davis and both of these LaHue's are buried in this cemetery. At least four of Spencer LaHue's children married into the Boley family which accounts for most of the burials in this Boley-LaHue cemetery. Six of Gains LaHue's seventeen children died of spotted fever in February 1864 and are buried in this cemetery.

HUSBAND - *Nicholas Boley

*Find A Grave internet site listed his birth and death dates and places. Pic of grave marker and very hard to read. Parents: Isaac Boley 1780-1860 and Mary Jimmison 1787-1849. Spouse: Sarah LaHue 1820-1856. Listed 5 of 9 children and 8 siblings with dates. burial Boley-Lahue cem, Harrison Co. IN. (copy)

Info from Mrs Dunlap St Louis 1973, James O. Boley 1976, The Lahue book and much research I have done from court house records, census records and cemetery records.

BIRTH: Cemetery records and stone say d. 17 Jul 1856 at age 40 yrs 2 mo 22 days which calculates to birth date of 25 Apr 1816. Census records in 1850 list him as age 35 and that would show ca 1815. Correspondence with others have given the 15 May 1815 date as his birth. I am going to use the cemetery date for now.

MARRIAGE: Marriage was recorded at Corydon, Harrison Co. IN, book and pg not copied. Have copy of their licence. They were married by Henry Bonebrake. Notation in the mg affidavit: Sarah consent by father, Spencer Lahue and Nicholas age proven by Isaac Hendricks. Nicholas would have been 23 and Sarah 17 when married. If birth date of 1816 is correct Nicholas would have been not quite 22 yrs of age, which maybe is why he had his age proven. No age appeared on the licence.

DEATH: Nicholas died 4 months before Sarah and his probate record is recorded at Harrison Co. IN. Have a copy but don't remember where it is filed. His age at the time of death on grave stone was 40 yrs 2 mo 22 days. Sarah died at age 34. William Blankenbaker was appointed as guardian of the younger children, Henry, Martin, Adaline, Caroline, Melvina, Darthula, Mary E. and Isaac G. Also have a copy of sale bill and personal property sale bill. Recorded Bk C pg ?. Harrison Co. IN. Thomas C. Slaughter adm. of will. There were several items on the sale list. Have been to the cemetery and have pictures of stones of Nicholas, Sarah and the children that are buried at the Boley-Lahue cemetery. The death date on his stone says 17 Jul 1856 age 40 yrs 2 mo 22 days.

CEMETERY: Boley Lahue cemetery located in the extreme southeastern corner of Jackson Twp in the northwest quarter of Sec 10, twp 3 south, Range 4 east, approx 1 1/2 miles south of Crandall.

1830 Harrison Co. IN: Nicholas would be ca age 15 and prob. with parents.

1840 Harrison Co. IN: Nicholas Boley listed with males to 5=1 20/30=1 and females 20/30=1.

1850 Harrison Co. IN pg 625 #422/423 23 Aug: Isaac Boley 67 PA farmer, Margaret Wise 51 VA, Henry Wise 15 IN, NICHOLAS BOLEY 35 KY, Sarah 28 IN, Henry 11 IN, Martin 9 IN, Adaline 7 IN, Caroline 6 IN, Darthula 4 IN, Melvina 4 IN, Mary E. IN.

*Find A Grave internet site listed her birth and death dates, age 86y 8m 10d. Pic of grave marker and is readable. Married Nicholas Boley 1815-1856 in Harrison Co. IN 6 Mar 1838. Parents: Spencer LeHew 1783-1858 and Margaret Davis d. 1871. Listed same 5 of 9 children husband did and 5 siblings with dates. Burial in Boley-Lahue cem., Harrison Co. IN. (copy)
Their daughter Melvina Boley (twin to Darthula) was my direct line. Melvina b. 26 Sep and Darthula 27 Sep so must have been midnight babies to have different days. I never knew her since I was born 5 years after her death but my Mother knew her and she had been blind the last few years of her life. There are pictures of them in the Dyer books (Maybe Lahue books as well, not sure.)

Info from Mrs Dunlap St Louis 1973, James O. Boley 1976, The Lahue book and much research I have done from court house records, census records and cemetery records.

BIRTH: Cemetery records and stone say d. 16 Nov 1856 age 36 yrs 8 mo 10 days which calculates to birth date of 6 Mar 1820. Census records in 1850 list her as age 28 and that would show 1822. Correspondence with others have given the 10 Mar 1822 date as her birth. I am going to use the cemetery date for now.

MARRIAGE: Marriage was recorded at Corydon, Harrison Co. IN, book and pg not copied. Have copy of their licence. They were married by Henry Bonebrake. Notation in the mg affidavit: Sarah consent by father, Spencer Lahue and Nicholas age proven by Isaac Hendricks. Nicholas would have been 23 and Sarah 17 when married. If birth date of 1816 is correct Nicholas would have been not quite 22 yrs of age, which maybe is why he had his age proven. No age appeared on the licence.

DEATH: Sarah died just 4 months after Nicholas. William Blankenbaker was appointed as guardian of the younger children, Henry, Martin, Adaline, Caroline, Melvina, Darthula, Mary E. and Isaac G. Also have copy of sale bill sale bill and personal property sale bill of Nicholas. Recorded Bk C pg ?. Harrison Co. IN. Thomas C. Slaughter adm. of will. There were several items on the sale list. Have been to the cemetery and have pictures of stones of Nicholas, Sarah and the children that are buried at the Boley-Lahue cemetery. The death date on her stone says 16 Nov 1856 age 36 yrs 8 mo 10 days. (if 1822- 1856 is right she would have been 34). But if death date is right and calculated is right she would have been born 1820.

CEMETERY: Boley Lahue cem located in the extreme southeastern corner of Jackson Twp in the northwest quarter of Sec 10, twp 3 south, Range 4 east, 1 and 1/2 mile south of Crandall.

Will Book C
Harrison Co Ind.

To the Court of Com. Pleas Harrison Co.
Indiana:

The undersigned Guardian to the
Heirs of Sarah Polley, dec'd., respectfully repre-
sents that the Estate of said Sarah Polley, in the
hands of the administrator will far exceed the
liabilities thereof; that said Admin is not now
prepared to make a final settlement thereof
there being debts yet unsettled on said Estate,
but is willing and desirous to pay over to the
guardians the surplus or a portion of the surplus
of said Estate in his hands in advance of
the settlement thereof. And your Petitioner
represents that it would be greatly to the advantage
of said Admin as he has opportunities to loan the
same immediately on good security. He therefore
prays that said Administrator be authorized
and directed to pay such portion of said
Estate to your Petitioner guardian as aforesaid
as he may safely do, retaining a sufficiency
to pay all demands of said Estate.

And as in duty bound he will ever
serve you

OK, Hillside Cem., pic of their grave marker and entrance to cem. (copy) DEATH:: A typed copy of the obit from the Purcell Register dated 23 Mar 1961 was sent to me by the Library of Purcell. "Dyer Services Held Last Week -- Stroke Is Fattel To Pioneer Resident-- Funeral Services for James Harvey Dyer, 84, a resident of Purcell since 1907, were held on Wednesday of last week in the First Baptist church, with Rev. Wayne Pearson officiating, assisted by Rev. Kenneth Robinson. -- Dyer died March 13 in the McCurdy Memorial hospital following a five-weeks illness. He had been critically ill after suffering a stroke. -- J.H. had served as deacon of the First Baptist church for many years, was a former member of the Purcell school board, the Purcell Rotary Club and was associated with the old Chickasaw National Bank for a number of years. He had been retired for a number of years.-- A male quartet of Tommy Gutt, W.C. Smith, L.M. Lacy and Frank Berry sang two of his favorite hymns. Interment was in Hillside cemetery under the direction of the Conner Funeral Home. -- Survivors include his wife, Sadie K., of the home; a niece reared in their home, Mrs Arline Forehand, Amarillo, Texas; two brothers, Henry of Kahoka, MO, Cleveland Dyer of Detroit; and a number of nephews and neices." Harve as he was called by his family members was born on a farm near Fairmount MO and then went to the Gem City Business College in Quincy, IL abt 1900. He worked at bank in Kansas City, MO before moving to Purcell, OK in 1907. Arline said he worked at the Chickasaw National Bank, first as a teller then later as Cashier and then became Director of the bank. He and his wife never had any children but they did raise his wifes niece, whom I met at the old home place in Purcell, OK on a visit there in Oct 1978. They bought the home at 429 W. Washington in 1914 and lived there until their deaths. He in 1961 and she in 1978. Unfortunately I had just located them just after she died in June. I visited with Arline Forehand, the niece they raised. She was living in their home at that time. She told me the house was built in 1912 by Charles Gibbs, who also built the court house in Purcell. The first home in Purcell to have plastered ceilings. The oldest tree in their front yard was pictured in Life magazine (year ?) It was the largest Elm tree--90 feet across, east and west. I have a picture of it taken Oct 1978. Also picture of their house. Have a picture of their wedding and Arline said Sadie made her wedding dress. Also a picture of Sadie before she died. Didn't take picture of Arline at the time I visited her. In 1961 Arline was living in Amarillo, TX. She was a daughter of sister to Sadie and after her mothers death she went to live with Sadie and Harve. 1978 obit of Sadie, she was living in Oklahoma City, OK. I had written to Sadie in 1975 and she told me nothing. I got Harve's obit and found out something about his life from that. Then planned to go there in the fall of 1978 to visit Sadie and take pictures of cemetery stone. As it turned out she died just before that so when we got there we met Arline and she told me about them. CENSUS RECORDS: 1900 Soundex, not listed in OK index, even though lived there many years. 3 Feb 1954 Henry and Juda celebrated their 50th wedding anniversery in Kirksville, MO. They were living at S. Marion St. in Kirksville at that time. The house is now gone and is part of the College. The article from the paper stated they were married at the home of the Methodist minister, Matt Sexsmith at Kahoka, MO. They also recalled that on their wedding day it was cold and the snow was quite deep. They went in a sleigh to be married and after the ceremony they partook of a lunch that had been prepared for them. I have their wedding picture and also the one in the paper 50 yrs later. A family dinner was celebrated with all the Dyer children present and 2 of their 3 grand children were present.	
6 Nov 1956 General Election held in Kirksville. Henry S. Dyer was running as Democrat candidate for Judge of the County Court in the First District. However he lost.	
5 Feb 1957 His wife Juda Anderson Dyer died at the age of 78 in the hospital in Kirksville, MO. They were living at 1110 S. Marion St. at the time. Then Henry lived with his daughter Edna in Kirksville until 1960 when he got to much for her to take care of so they put him in the Walker nursing home in Kahoka, MO where he stayed until his death	
Henry was Baptist and Juda was Methodist. They both attended church in Kirksville, MO but went to separate churches.	
Henry and Juda first lived on a farm rented from his father near Wyaconda, Mo before they moved to Kirksville, MO. Their first farm was on what is now hiway 61 which later became a golf course then Hollister factory there. Before they could get to town to get insurance they had a fire and the house burned, lost all they had. They built two rooms and lived in them until the big house was rebuilt. After the main house was built they used the two rooms for a smoke house and storage for the washing machine and separater. Have a picture of the house after it was built.	
Henry farmed several years then moved to town, first on Cottage Grove where they also farmed then lived on Franklin St then last was 1110 S. Marion St. While in town Henry did several odd jobs. Hauled coal in winter in summer mowed yards. Took care of church grounds as well.	
They never owned a car and used horse and buggy to get around in eary years and when moved into town used taxi service, bus or walked quite a lot.

CHILD 10 - John "Cleveland" Dyer (Continued)

OBITUARY: From Kahoka Gazette-Herald paper: "John Cleveland Dyer -- John Cleveland Dyer was born May 10, 1885, near Wyaconda, MO. He was the youngest son of Charles and Melvina Dyer. He had been in a Nursing Home in Center Line, Michigan. He was married to Irene Dare Jan 17, 1906, He leaves four daughters, Mrs Mable Eckstrom, Mrs Wilma Parrish, Mrs Ida Kless, Mrs Erma Jean Kardvoksh; two sons, Raymond of Michigan and Richard of California, also 12 grandchildren. -- He was preceded in death by his parents, five brothers and 3 sisters. He leaves several nieces and nephews. -- His funeral services were June 27 at the Jones and Moon Funeral Home. The Rev. Millier Hages of Grace Baptist church preached the funeral. Interment was in Forest Lawn cemetery, Detroit, Mich. -- Pallbearers were Jeffery Kless, Chuck Parrish, Robt. Dyer, August Kless, Earl Parrish and Joseph Kardoosh."

CHILDREN: He and Irene had 7 children, 6 living to maturity.

He was born and grew up on a farm but didn't take to farming too well and farmed only a few years of his married life. He left Missouri shortly after he was married as he wanted to find a farm of his own. He had been renting land from his father as he owned quite a lot of land around Wyaconda.

They went to San Diego, CA where he worked as a street car conductor for a while. They went first to Wyaconda about 1910 where their son Raymond was born. Then he moved to Dexter, MO where the rest of his children were born. They farmed until May 1927 and then they moved to Detroit, MI.

Cleveland worked in a factory for a while then he bought a truck and sold coal in the winter and ice in the summer.

1937 he was divorced and moved to St Clair Shores, MI where he lived until his death. That was during the 2nd World War, so his children didn't see much of him at that time.

His wife moved to Warren, MI in 1936 where her son Raymond was living and in 1937 her daughter, Mable and husband moved there to be near her. From 1936 until many years later his children hadn't seen Cleveland.

During that time he divorced and remarried to a lady on his ice route. He later divorced her. She is buried by him in Forest Lawn cemetery.

His children did get in touch with him a few years before he died.

Have corresponded with all of Cleveland's children. Met Ida Kless in Florida while there on vacation and also her brother Raymond as he was living there as well, in May 1983.

Find A Grave didn't locate John or Helena or one Gertrude in another cem but may not be right one. Did locate Helena's mother and father. (copy)

CENSUS RECORDS:

1900 don't know where he was in the census as have not located him.

1910 need to check Wyaconda, Clark Co. MO census for Cleveland and family.

1920 Soundex Index of MI checked and found him not listed, although he lived there many years. Need to check the actual census and would probably locate him.

Had written some years ago when was doing research on this family to Denver, CO to ask about a marriage record and they said was none located. Not sure if asked for complete name or not but would have assumed would have. Also my mother and I were in Denver, CO in later years where I researched the marriage records for Denver, CO for any Dyers as was looking for others as well and never come across any. So was very glad when Sandra Knoells located the marriage record of her grandfather from Denver Co. June 2009.

HUSBAND - Henry Sylvester Dyer

BIRTH: Henry Dyer, Anderson and Dyer bibles.

MARRIAGE: Recorded Clark Co. MO Bk 5 pg 149. Copy in Dyer book.

Grandpa Dyer was Baptist and Grandma Dyer was Methodist. They both attended church in Kirkville and both went to separate churches.

Grandpa Dyer was born near Fairmount (Wyaconda) MO and lived in Clark Co. MO until 1919 when they moved to Kirkville, Adair Co. MO. Their first house burned before he could get insurance on it and they lost all they had in July. They built two rooms and lived there until they could rebuild the main house. Then they used the two rooms for a smoke house and storage for the washing machine and milk separator.

Grandpa Dyer farmed most of his life until he retired from farming then he did odd jobs in Kirkville. He hauled coal in winter and mowed yards in summer and cleaned at church and other places.

My grandfather never owned a car. They used horses for many years then when moved into town used a cab or walked. They did come to Iowa a couple times on the bus but never for long and that was the only place they went besides back to Clark Co. some.

DEATH: Death cert. and obit. Died of old age and heart problems at age 86. Medullary failure, due to cerebral thromboses (?) due to arteros???. He was living at the Walker Nursing Home in Kahoka when he died.

Have copy of obit and death certificate and pictures of cemetery stone.

Notes	CHILD 5 - Rovene Melvina Dyer (Continued) She worked outside the home in several of the larger Department stores in Davenport and Bettendorf after her children were older. After Willard died she worked at Bishops Cafeteria for few years before she remarried. They traveled and went on vacations about every year, either north fishing or West mostly. Usually camped in the early years. After death of Willard she went on a trip to Hawaii and enjoyed that. After she remarried she and Harold also went to Hawaii. She was 5 ft 6 in and weight about 140 pounds. Had black hair and brown eyes. Her hair has been grey since she was young (bef the 50's). I take after her there as my hair started turning grey in a streak in front while I was in high school but I have colored it always, other wise it would be about all grey as well before I was 50. She also likes to dance but age is making it more difficult so they don't do much anymore. She likes to make crafts and crochet and travel, which she doesn't get to do much of as Harold goes to the farm every day and doesn't like to leave it for long. She has always been interested in clubs. She was in PTA then was a leader in 4-H for several years. She has belonged to the Farm Bureau for many years and held all the offices at one time or another. She also joined the Eastern Star. She has held offices in all the clubs she has joined. She has been President of Leidertafel Ladies Card club for 4 years, 1989-1993. Also belongs to Turner Ladies card club. Most of these thru 2005. Passed 50 yrs with Farm Bureau and not as long with others. Her health is still good except for some arthritis so she still is able to go and do what she likes. Updated 2005, will be 90 in Sept and for last 10 years has had more health problems with unbalance and some dizziness which they can't seem to find cause or cure of. She was diagnosed with glaucoma and also high blood pressure, all under control with medication. She still has clubs and card parties she goes to abt twice a week. She gave up driving shortly after 80 and now others come pick her up or Harold takes her. 1920 would be first census she would be listed in from Kirksville, Adair Co. MO. Adair Co. HUSBAND - Willard Harlo Lowe

Willard was born on a farm near Yarrow, Adair Co. MO. Soon after they moved to a farm near Kirksville, where he was raised. There isn't anything left of the place now except the land. All the buildings are gone.

Willard went through the 8th grade at Lone Star school, near where they lived in rural Kirksville, Adair Co. MO. That never held him back as he was able to make a good living for his family thur the years.

The first year of their marriage he traveled some, trying to find a good job but never found what he really wanted, so after few months they lived with his parents and helped with the farming, until after the first child was born, then they moved to a farm near Bullion, MO, where their second child was born. Their third child was born in Davenport, IA and died few days after birth.

By 1940 they decided they couldn't make a living at farming there so decided to move to Rock Island, IL where he got a job with the Sturdevant Dairy.

By 1942 he rented a farm near Hillsdale, Il and continued to work at the Dairy as well. He lost a part of his index finger in a machine there.

March 1945 they moved to a farm near Maysville, Scott Co. IA where he farmed on the shares.

March 1948 they moved to a farm that he rented on what was then called Iowana Farms, which is now part of the town of Riverdale, across from the Alcoa plant outside Bettendorf, IA. He farmed and also went to work for the Iowana Dairy Plant in Bettendorf.

March 1954 they moved to a farm on Devils Glen road that he rented, still working at the Iowana Dairy. He did several different jobs there, was Forman when he was killed at the farm when he had gone out to feed the pigs, apparently the tractor hit a rut and turned over. His son Charles took over the farm and lived there until fall of 1992 when Alcoa decided to dissolve the farm to build houses. At the same time Charles retired from the Davenport Fire Dept. so bought a house in Rock Island.

Shortly after moving to Devils Glen Road he bought two apartment complexes. First property he actually owned. Rovene sold them after he was killed as was just too much work to keep up.

He was a 32nd degree Mason and belonged to the Blue Lodge of Davenport, Ia, then joined the Hamilton Lodge AF & AM and also the Buffalo Bill Shrine Club of Pleasant Valley, IA.

What spare time he had, he liked to fish and play cards and danced. He also liked to play the harmonica and only played by ear but was quite good. He worked hard all his life to provide a good life for his family and so had very little time to pursue his pleasures. He liked to travel and they went to many states on vacations. I guess his biggest thrill was going to Germany when his daughter was there in 1966. They flew there and stayed two weeks and traveled around Germany, Austria, to Venice, Italy and back to Murnau, Germany. Saw different Castles and sights you would never see here.

He never liked heights and right up to the last he said he wasn't going, even though he did get his passport, just in case, but when the plane was ready to go he was right there. Only time he ever flew.

They also went to the east coast while Gladys lived there and in 1970 visited Washington DC and Philidelphia, PA and other sights around Aberdeen, MD.

The farm later became a golf course and now the Hollister Factory is is also part of the farm on hiway 61. Before they could get to town to get insurance they had a fire and the house and all the contents were destroyed. They built two rooms first and lived in them until the main house could be rebuilt. After my father was killed in 1971 she moved to town and then after 4 years she met and married Harold Schurr.

WIFE - Rovene Melvina Dyer (Continued)

They lived on his farm for a few years then moved back into Bettendorf.

She worked outside the home in several of the larger Department stores in Davenport and Bettendorf after her children were older. After Willard died she worked at Bishops Cafeteria for few years before she remarried.

They traveled and went on vacations about every year, either north fishing or West mostly. Usually camped in the early years. After death of Willard she went on a trip to Hawaii and enjoyed that. After she remarried she and Harold also went to Hawaii.

She was 5 ft 6 in and weight about 140 pounds. Had black hair and brown eyes. Her hair has been grey since she was young (bef the 50's). I take after her there as my hair started turning grey in a streak in front while I was in high school but I have colored it always, other wise it would be about all grey as well before I was 50.

She also likes to dance but age is making it more difficult so they don't do much anymore. She likes to make crafts and crochet and travel, which she doesn't get to do much of as Harold goes to the farm every day and doesn't like to leave it for long.

She has always been interested in clubs. She was in PTA then was a leader in 4-H for several years. She has belonged to the Farm Bureau for many years and held all the offices at one time or another. She also joined the Eastern Star. She has held offices in all the clubs she has joined. She has been President of Leidertafel Ladies Card club for 4 years, 1989-1993. Also belongs to Turner Ladies card club. Most of these thru 2005. Passed 50 yrs with Farm Bureau and not as long with others.

Her health is still good except for some arthritis so she still is able to go and do what she likes.

Updated 2005, will be 90 in Sept and for last 10 years has had more health problems with unbalance and some dizziness which they can't seem to find cause or cure of. She was diagnosed with glaucoma and also high blood pressure, all under control with medication. She still has clubs and card parties she goes to abt twice a week. She gave up driving shortly after 80 and now others come pick her up or Harold takes her.

1920 would be first census she would be listed in from Kirksville, Adair Co.

CHILD 1 - Gladys LaVon Lowe

I was born on a farm just outside Kirksville, Adair Co. MO belonging to my grandparents, Henry and Laura Lowe, where my parents were living at the time. Sadly there is nothing there but the land now. All the buildings have been torn down several years ago.

My next home was on a farm near Bullion, MO which wasn't far from my grandparents farm. My brother was born there and we lived there until 1940. My dad was on the School Board there and the school was close to us so I started kindergarten there, even though I wasn't 5 years of age yet.

The summer of 1940 we moved to Rock Island, IL where my Dad thought he maybe could get a job. Making a living in MO was hard so thought it would be better in Rock Island. We lived about three places while there. I started first grade there, even thou the school said I should be in kindergarten, they let me go. My mother told them if I couldn't do the work they could put me back but they didn't have to. My Dad got a job at the Sturdevent Dairy and worked there until 1945. 1942 we moved to a farm near Hillsdale, IL where he farmed and worked at the Dairy.

March 1945 we moved to a farm near Maysville, IA where my Dad farmed on the shares with Mr Art Meints. We went to the Allens Grove Twp. school, which was a one room school taught by Mrs Edna Spies. Probably one of the best teachers I ever had. We kept in touch until her death in 1980's.

March 1948 we moved to what was then Iowana Farms, now part of Riverdale, across from the Alcoa plant outside Bettendorf. Dad farmed some ground owned by Iowana Farms and then he went to work for them at their Dairy plant in Bettendorf. I went to school at the Riverdale school across the road from Alcoa the last part of the 7th grade and all of 8th grade. Then I took a bus

to J.B. Young Junior High school in Davenport for 9th grade which was 1949-1950, which was located at Locust St and Harrison. Several went to Sudlow in Davenport but I decided to go to J.B.

I went to Davenport High School (now Central High) 10-12th grade and graduated from there in 1953. It was located at 12th and Harrison Street. At this time they found out I had a heart murmur so didn't take gym thur high school. Probably had it since I had scarlet fever when I was very young.

I left home after graduation and worked at different jobs in Davenport and lived with a girlfriend until I married a year later. That was a mistake. It lasted a year and then was divorced. I then went to work at the T.B. Sanitarium at Oakdale, IA, just outside Iowa City.

I met my second husband there and we married a year later in Iowa City and stayed at the hospital for a while and in 1956 moved back to Davenport, IA. We had 4 children, all four being born in Davenport. We lived several places in Davenport until 1964 we separated and divorced. I stayed in Davenport and went to work to raise the children, with the help of my parents and none from their father. 1959 I had gall bladder surgery.

By Dec 1964 my luck had changed, through a mutual friend I met my third husband and every thing just seem to click. Third time a charm and all that. Chuck had just lost his wife and he was stationed at the Rock Island Arsenel, and was a Sargent in the Army. He had been in for 14 years. He had no children and took to my three right off and they to him. We decided to get married in April and friends of ours wanted the wedding at their house so we were married on Dixwell Street in Davenport at the home of Jim and Fern Beach. Carl and Carol stood up with us. (Strange twist- Jim and Fern divorced and Fern went to Florida and Jim went to NM and Carl and Carol moved to Arizona and were divorced). We just celebrated 28 years of marriage (1993).

We went to Springfield, MA for our honeymoon, as Chuck had to go there on business for the Army. It was the first time I had flown and like my Dad I wasn't fond of it either. I have had for many years a tendency to have motion sickness and several things bother me, flying one of them, high places another. Since then have flown a few times and always take Dramimine for it and does help.

We bought our first home on W. 69th street in Ridgeview addition in Davenport in 1965 then by Feb 1966 we were on our way to Germany. Chuck had been transfered to the Army base at Friedberg, Germany for a three year tour. We went to Germany on the ship "USNS Gieger". We left NJ and after 9 days on the ship we arrived in Bremerhaven port in Germany. We had the car on the ship with us so picked it up and both got our German drivers licence and drove to Friedberg, Germany. Again the first few days on the ship were terrible but then someone told me to see the Dr and get some Dramimine which would help and I did so the last 5 days I was able to enjoy. Sheri and Gayle weren't feeling too well either the first few days but they got over it shortly. It didn't bother Larry. They all enjoyed the trip.

There wasn't any vacant apartments on the post available at the time we arrived there so we rented an apartment on the Germany economy in a little town of Steinfurth, which was just outside Bad Nauheim, a few miles from Friedberg, for a few months then we moved into Quarters in Bad Nauheim. The area around there and Frankfort was quite pretty and we all really enjoyed it. Gaylestarted kindergarten there.

We were there a year when Chuck got orders to go to Murnau, Germany, which was in the southern part of Germany, just outside Garmish, which was a beautiful area in the mountains. The Bavarian houses and the mountains and area was just beautiful there. Mom and Dad came over while we were there for two weeks and we toured that area of Germany, Austria and went to Venice, Italy and several of the Castles in Germany. This was also an experience we all enjoyed. While in Venice, I'm sure Gayle will never forget, she was about 7 years old and we were walking back to the car from Venice and somehow she got away from us. She had stopped to look at something in one of the windows and no one noticed she was not with us until we had walked several blocks. Fortunately she had stopped just outside of the American Express office and they saw she was by herself and kept her there until we found her. She said she wasn't scared, but she was sure glad to see Chuck, when he found her.

After the 2nd year in Germany, Chuck got a chance to take a Commission for Warrant Officer and it was shortly after the Viet Nam war had started and he knew he would have to go and decided he would rather go as an Officer, even thought it meant leaving Germany a year earlier then we had planned. Receiving his Commission, came a tour of Viet Nam so we left Germany and came back to our home in Ridgeview, which we had rented while we were gone. Chuck had been to Viet Nam three times before on TDY as well as Santa Dimingo so he had an idea of what to expect.

CHILD 1 - Gladys LaVon Lowe (Continued)

We had sent the car on ahead so it would be in NJ when we flew there from Frankfort so after 9 hours, sure better then 9 days, on the plane, we picked up the car and our dog, Cotton that we had in Germany and headed for Davenport.

Chuck's tour would be a year in Viet Nam so I worked at the I-80 Truck Stop on I80 while he was gone and the kids went to school. After the year in Viet Nam Chuck was stationed at Aberdeen Proving Grounds, Aberdeen, Maryland. Mom and Dad came out there and spent time there. We went to Washington DC and Philadelphia, PA and surrounding areas.

While Chuck was in Viet Nam we found out Larry needed open heart surgery and after we went to Aberdeen we took him to Walter Reed hospital and he had the surgery and was up and back to school in two weeks. Still doing fine.

At this time I got interested in Genealogy and one of our neighbors told me how to get started and gave me the forms to start with and I've been hooked ever since. That was in 1969 and I see no end in sight. I have numerous notebooks on families and in the process of putting all my information in the computer, which should make it easier to work with.

Chuck retired after 20 years in the Army from Aberdeen, MD in Nov 1971. I brought the kids back to Davenport in July so they could start school here without changing. We hadn't decided for sure if we were going to Colorado or stay in Davenport but in August my Dad was killed so we thought it best to come here. Chuck was going to take it easy for a while after his discharge but that didn't last as he didn't like doing nothing so he got the chance to open up his own service station in Bettendorf, IA. So on the corner of 12th and Grant in Bettendorf Treadway Texaco became a reality in Jan 1972.

We sold our house in Ridgeview and bought a house at 2008 18th St Bettendorf then sold that house in 1978 when we moved to Texas.

Several people were getting interested in Genealogy here in Davenport and so in 1975 we started a Genealogy Society in Rock Island then started one in Davenport, IA. I had also joined a couple bowling leagues and won several trophies during the years. Wasn't able to pursue that in Texas as the closest bowling alley was 40 miles away.

We traveled some during 71-76, went out west and south. We had bought a 5th wheel trailer with the plans of retiring and doing some traveling. Well about 1975 Chuck started having back problems and he had to have surgery the 2nd of Nov 1976. He was in the hospital 3 months and then he tried to run the station from home but that didn't work so he sold the station and we decided to move to Texas for the warmer climate and be closer to the Army hospital. We sold our house in 1978 and moved to Gatesville. We lived there 11 years and the the last two years Chuck was in a wheel chair all the time and the drive from there to here was just getting too much and so decided to come back here. We did hate to leave there but thought it was for the best.

After we had the house on the market for about a year I found out I had to have a hysterectomy so knew if I went ahead we would sell the house, you know how things go, well I went ahead and had the surgery scheduled for the first of May 1989 at Ft Hood, and by the end of May we had sold the house and I was on my way to Bettendorf to find one there. Since there were few houses that fit our requirements with out a lot of remodeling it was beginning to look like a problem. We had to be out of our house in TX by the first of July. After a week I had finally narrowed it down to two and decided on the house on Hillside Court so I went home and finished packing and by July 4th 1989 was on our way to Bettendorf. I had done a lot of the packing before surgery knowing I wasn't going to be able to do any lifting for some time afterwards, so that helped.

While in Texas we started a Genealogy Society in Gatesville and I helped get that started also. For a while I was the Editor for the Quarterly and treasurer for the club. They decided to start a DAR At Large group but later developed it into a club and I was Vice Regent of that until we left.

I took some College courses while there the last 3 years and received 10 College Credits in History, Criminal Justice and Computer courses.

Now I am back into the Genealogy Clubs here and also since we have been into computers since 1983 I have joined the local Computer group and they also have several group Sigs such as Wordstar Sig and PAF Sig and others which I go to.

CHILD 1 - Gladys LaVon Lowe (Continued) I have been sewing since I was a child and have sewed most of my clothes for many years, however once in a while I do buy something from time to time. I like to do crafts and crochet as well as read and dabble in photography. It seems genealogy takes most of my time though. Seems as though there isn't enough hours a day to do all I would like to. I've always said with so many things in this life to do there isn't any reason for anyone to be bored with life. Yet there are so many depressed people in the world that just dread to look forward to the next day. My height was 5 ft 3 inches and weight varies and mostly stays around 135 I had dark brown hair and brown eyes. I have kept my hair colored since I was in high school as it would be grey by now. It started with a grey streak while I was in high school and continued to get grayer. I started wearing glasses about 1951 when I was in Jr high. Needed them for distance, as I still do. I had them changed every few years and just after we moved back to Bettendorf, it had been 4 years since I had them checked so went to have an exam in Oct 1989 and they told me to go see a specialist so I did and they said I had Glaucoma, fortunately it was just starting and no damage had been done. Right now the only problem was too much pressure on my eyes. So have to take drops the rest of my life probably which is suppose to ease the pressure. Maybe down the road I will be looking at laser surgery, but hope not. Its times like these when Genealogy comes in handy for background health history, except all my grandparents and great grandparents lived before they had all the tests they do now for things. Heart problems run in the Lowe family and Grandma Lowe had cataracts and Grandma Dyer died of a stroke. Mom also has the starting of cataracts. Grandma Dyer's mother was blind the last several years of her life, but don't know from what. Grandpa Lowe had diabetes and Grandpa Dyer died of old age. Aunt Pearl had cancer and died because she wouldn't get help and Uncle Gale had emphysema which is probably what caused his death. Uncle Claude had it also as does a son of Uncle Floyds. All smoked. Aunt Lea died of heart problems and Uncle Floyd died of heart problems. One of Floyds sons and one of Gales sons had heart surgery. So definately heart problems run in the Lowe family. Uncle Paul Dyer had cancer and Aunt Edna died of heart problems. Aunt Hazel is still in pretty good health but her mind has gone. Mom is in good health except for arthritis and high cholesterol. Brother Charlie is also in good health except for high cholesterol. Mine is also high and I think maybe we just normaly run a higher count (don't think the Dr's think that). I am the only one that has sinus and allergies, but usually have no problems with it. Dad had migrain headaches and I started getting them shortly after I turned 40. Had quite a few for a number of years then after surgery 1989 haven't had but couple mild ones. Grandpa Lowe also had migraines. They say that is hereditary as is glaucoma. I had one son that died of heart problems and Mom and Dad had a son that also died of heart problems, both only lived a couple days. Larry hasn't had any problems since he had surgery except his back bothers him but hanging dry wall isn't the easiest job. Gayle has a slight heart murmur as does her daughter, Brittany. Sheri has arthritis and a weight problem, which probably comes from the Houser line. Her Grandmother Houser Miller also had those problems. No health problems with Jason and Caanan that we know of now. Feb 2016 This is the end of this story now since I have turned 80 and am getting all my notebooks in order and sending them to Fort Wayne IN, Allen Co. Public Library as no one in the family wants them or has room from them. So people will be able to see all the research I have done from 1969 to 2016. I bought a condo in the Manor in Bettendorf in 2011 and started bowling again with a team at 30 Lanes and started swimming exercises in the pool we have here every day during the summer. Walk every day around the complex or at the grocery store so get plenty of exercise. My health is very good other then the health problems I have which don't affect me as yet. I have had quite a lot of anxiety in the last 18 years since my husband passed away in Mar 1998 then my childrens father passed in 2007 and my stepfather passed in Jul 2008 and my mother passed in Mar 2012 and now the 1st of Jan 2016 my oldest daughter passed away from lack of oxygen and MS and had several other problems for many years, she was 59. Have lost several good friends during that time as well. I have glaucoma but no damage done to the optic nerve so vision is still good and can still drive but I don't at night as the lights bother me. Have had both cataracts removed and all okay. Mother had both, so believe genetic, heart problems, also genetic, high cholesterol and blood pressure with medication, also genetic. Mother had them all. Brother also has chol. & high blood pressure now but that is all he has and is in good health. He square dances 2-3 times a week, golfs in the summer and rides motorcycle's all over when weather is good.

Island, IL. Then by 1942 they moved to a farm at Hillsdale, IL and by 1945 they moved to Maysville, IA and 1948 to Iowana Farms near Bettendorf, IA. 1956 they moved to the farm on Devils Glen Road which he took over when his father was killed there 1971.

Charlie graduated from Bettendorf High School in 1956. He went to work for Iowana Farms Dairy for a short time then on Sep 30, 1957 he enlisted in the Army. He went through Basic Training at Ft Benning, GA.

He married first to Ruby Collins, whom he met in high school and were married at Ft Benning, GA. He then went to Germany and was first stationed at Bamberg, Germany and Jan 1959 he received his projectors licence. 29 Aug 1959 Army Specilist 4 Charles Lowe graduated from 3rd Infantry Division of Non Commissioned Officer Academy in Kitzingen, Germany. He was assigned to a fire team in Troop C. of the Divisions 7th Cavalry. Ruby went to Germany in 1958 and spent a year living in Bamberg, Germany.

He and Ruby had no children but they adopted a baby that was born in Des Moines when he was a few days old.

After his discharge from the Army he went to work for Alcoa until 1968 then he joined the Davenport Fire Department. He retired from there in Jul 1992.

He and Ruby bought a house in Bettendorf and then when he went to work for the DFD they had to sell that house and buy one in Davenport, as they had to live there at that time. They bought a house on W. Pleasant then after his father was killed they moved to the farm on Devils Glen Road until their divorce 1976. He stayed there and Mark stayed with him. He farmed there until 1992 when Alcoa decided to sell the farm to build houses and so they came in and tore everything down.

He worked at Treadway Texaco with his brother in law during 1972-1977, when he wasn't working at the fire department or farming.

Charlie married 2nd time and that also ended in divorce.

He likes to go snowmobiling in the winter and motorcycling in the summer. He also has been going square dancing for the last several years and really enjoys that. He likes to play golf. He is a lot like his dad, as he can't sit still, always has to be doing something. Maybe that is what keeps him in good health He has had no trouble keeping busy since his retirement either, if not doing something for himself he is doing something for someone else.

Since he left the farm and retired he had bought a motor home in which to travel after retirement then he bought a house in Rock Island to hang his hat when he isn't traveling. He goes almost every day to see his brother in law in Bettendorf, and helps anyone who needs it when he is here.

Feb 2016

Still doing good and enjoys his retirement from Davenport Fire Dept. and still square dancing 2-3 times a week and summer golfs every week and still in good health.

WIFE

- Gladys LaVon Lowe

All my completed info is in the Lowe Books (last of them may not be in Ft Wayne just yet).
Other info in Anderson, Boley, Dyer, Miller, Mullix and many other books have sent them.

Graduated from Davenport High School in 1953 (now is Central High School) Had been working at Parkers in jewelry department the last year of school then after graduation a friend and I got an apartment in Davenport and then a job came along that required to moved around and she really wanted to do it and I didn't but she talked me into it and so we ended up in CA and I met my first husband there and married so I could get home. Which was stupid if I had thought about it more since I had to ask my parents to get money to come home, I could have just came home on my own and been a lot better off but guess my brain wasn't working just right at that time so paid for that mistake I thought.

I married 1st 1954 and div 6 mo later. Had a child put up for adoption. (was my first and only big mistake.) Came back to Iowa and then went to Iowa City to TB Sanitoriam to work for a year and met my second husband and his parents as all was working there also.

Married 2nd 1955 to Gerald Larry "Jerry" Houser and we had 4 children, div after 9 years.

Married 3rd 1965 to Charles Lee Treadway who was in the Military and had 6 more years to complete 20 yrs. Working at Rock Island Arsenal at that time. Transferred to Bad Naham, Germany for 1 year then Murnau, Germany for 1 year then He went to Viet Nam as Chief Warrant Officer 2 and I went back to Iowa for that year then we went to Aberdeen Maryland for 2 years and I left to come back to Davenport, IA last 6 mo's for the kids to start school in fall and Chuck retired in Nov 1971 from MD.

Came back here and opened a service station in Bettendorf until 1978 when he had back surgery and couldn't work so sold station and moved to Texas until 1989 and then moved back to Bettendorf, IA until he passed away Mar 1998. B. 1930 d. 1998. Married 33 years lacking 1 month as we married 9 Apr 1965.

I had to redo the house and then the next year I went to work at Ethan Allen Furniture Store as Receptionist part time then full time then part time for 9 years until they closed the store. Which worked out as I had to have cataract surgery on one eye and waited 4 years before did the other one as first one didn't work as should have because of the Glaucoma but 2nd one went okay.

I started doing genealogy research when we were in Maryland in 1969 and have worked on it ever since till last year when decided needed to get my notebooks in order and found I could send them to Ft Wayne, IN library so in the process of doing that now since not working. Have moved to a condo so don't have all the outside work to do and besides working on computer every day working on family books and bowling in winter and swim exercises every day during the summer I keep busy and in good health for all the problems I have. When got back from MD, located several people that were doing genealogy and so we decided to start a genealogy society in Rock Island, IL first then started one in Davenport, IA which both are still going. Then moved to TX and I got one started there as well for all the years I was there, don't know if still going there as several have died from there since I left. Since we started doing genealogy before the internet we had to travel a lot to go to the places our ancestors lived, to the court houses, cemeteries, libraries and traveled several states. Usually there was at least 4 of us who always went to places as everyone had some of the same states to go to besides every year a trip or two to Ft Wayne, IN, and to Madison, WI and Salt Lake City libraries so had a lot done way before the internet. Now there are things on there that are easy to find but you have to be careful as none of us are perfect and do seem to make mistakes, even though we try not to, but some can agree on info and some can't so isn't a perfect world yet but we all do the best we can. 46 years is a long time to do research on your families but when you start you have you then you go to two parents then 4 grands then 8 greats and it just multiplies the more you find the more grs you find and you keep going till you can get up

to 15 or 40 generations if you want to work that hard. My Dad connects to Jesse James some way which I haven't found yet and also connects to Daniel Boones parents by his sister as direct line. My mothers line goes back to the Mayflower ship in 1721 so that was interesting. I have many lines from England, some from France, Germany, Ireland, Scotland But haven't done any research in those places as was harder to do then in US. But sometimes others have and so know where many of my generations came from, all around the 1730's but one which was from Ireland that came in 1795, which is the one late comer. My late daughter did the research on her fathers line all the way back to Swizerland so she was happy about that. My Mayflower family was th Fuller's and they were from England, Ireland and to Holland before came to US.. Now you can see how involved we can get when you start this and it happens to almost everyone if you are die hard enough to stick with it and always want to know more. My brother lives in Rock Island, IL and he is in good health as well, and a year and half younger then I am. He spends his time square and round dancing and golf and always buying new motorcycles and old cars. Chuck had ridden motorcycles every since he was young until we moved to TX when he couldn't any longer. Guess my brother is going to do the same, ride till he can't any longer. Rest of history in is the other books, I think mostly the Lowe Books as all of them will be at the library later but have some there now.

Same info under John Christie Brown, with a pic of him and one of his grave marker. Abstracted: John and Martha Brown (This was about John)

This week it is with regret that we chronicle the death of husband and wife, their passing on was only one week apart. Such was the case with Mr and Mrs Brown, two of our elderly and respected citizens of this community. --- John Christie Brown born 1840 at Bloomington, IN. At age of 16 he moved with his parents to Warren Co. IL. 6 Aug 1862 at the call of his country he enlisted in the Federal Army and was assigned to 102 IL, Volunteer Infantry. Serving 3 years and 10 mo. Much of time served with the reserve corps, whose duties were arduous and danger great. He was in many minor engagements and also a number of greater battles among which was Resaca, GA which was fought on 13-14 May 1864 and was one of the battles fought by Sherman on his celebrated campaign through Georgia. He was in most of the battles in which Sherman's army was engaged. After being mustered out and receiving an honorable discharge he engaged in farming near Keithburg, IL. He leaves 2 sisters, Mrs Rose Morey of Down, KS and Mrs Armend Cooper of Idaho to mourn his departure.

This was about Martha B. Stevens Brown.

Born in Keokuk co. IA, 1849 and later moved to Keithburg, IL. During her time in Chester she was very active in the Woman Missionary Society and was a great worker in the Women's Relief Corps, working in this society for almost 23 years. She passed this life one week later than her husband 20 Jul 1924. She leaves 3 sisters, Mrs Elizabeth Regester, Chester, NE, Mrs Mahaley Beasley of Norton, KS, Sarah Hollenbeck, Mountindale, OR and 2 brothers, Wm Stevens of Quitman, MO and Jack M. Stephens of Thomas, OK.

Both:

Mr and Mrs Brown were married at Keithburg, IL 3 Jan 21867, and to them 8 children were born, 4 of them preceeding them. From Keithburg the family moved to Iowa in 1869 and then to Liberty Twp, Republic co. KS in 1873 where they homesteaded, passing through all the trials of pioneer life and developing a good farm. 14 years ago they moved to Chester where they since resided.

---The couple united with the Baptist Church in 1883 and on coming to Chester they transferred their membership to the Church of Christ where they have been devoted members ever since.

----4 children mourn their departure: Selden O. Brown of Oskaloosa, IA; Henry O. Brown of Manhattan, KS; Mrs Lon H. Presnall, of Chester NE and Mary O. Croop of Toledo, Washington. 22 grandchildren 10 gr grandchildren and host of friends.

---Both funeral services were held in the Christian church conducted by their Pastor Rev. McCarthy in Chester and the remains laid to rest in the Chester cemetery. Mr Browns services were conducted on Thursday 17 Jul and services for Mrs Brown were conducted Tuesday 22 Jul - Chester Herald.

JOHN AND MARTHA BROWN

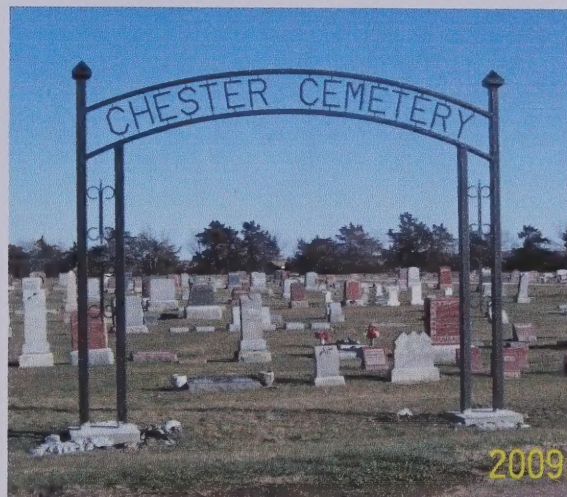

This week it is with regret that we chronicle the death of husband and wife, their passing on was only one week apart. Such was the case with Mr. and Mrs. Brown, two of our elderly and respected citizens of this community.

John Christie Brown was born August 8, 1840, at Bloomington, Indiana. At the age of 16 he moved with his parents to Warren county (sic), Ill. On August 6, 1862, at the call of his country he enlisted in the Federal army and was assigned to 102 Ill. Volunteer infantry, serving three years and ten months. Much of this time was served with the reserve corps, whose duties were arduous (sic) and danger great. He was in many minor engagements and also a number of greater battles, among which was that of Resaca, Ga., which was fought on May 13 and 14, 1864 and was one of the battles fought by Sherman on his celebrated campaign through Georgia. He was in most of the battles in which Sherman's army was engaged. After being mustered out and receiving an honorable discharge he engaged in farming near Keithburg (sic), Ill. He leaves two sisters, Mrs. Rose Morey of Down (sic), Kansas, and Mrs. Armenda Cooper of Idaho to mourn his departure.

Martha B Stevens was born in Keokuk county (sic), Iowa, June 18, 1849 and later moved to Keithburg (sic), Ill. During her time in Chester she was very active in the Woman Missionary Society and was a great worker in the Women's Relief Corps, working in this society for almost 23 years. She passed this life one week later than her husband, July 20, 1924. She leaves three sisters Mrs. Elizabeth

JOHN AND MARTHA BROWN

This week is with regret that we provide the death of husband and wife their passing on was only one week apart. Such was the case with Mr. and Mrs. Brown, two of our elderly and respected citizens of our community.

John Christie Brown was born August 8, 1848 at Bloomington, Indiana. At the age of 16 he moved with his parents to Warren County, Ill. On April 1, 1862, at the call of his country he enlisted in the Federal army and was assigned to 102 Ill. Volunteer Infantry, serving three years and ten months. Much of this time was served with the reserve corps, whose duties were arduous (sic) and dangerous. He was in many minor engagements and also a number of greater battles, among which was that of Resaca, Ga., which was fought on May 19 and 20, 1864 and was one of the battles fought by Sherman on his celebrated campaign through Georgia. He was in most of the battles in which Sherman's army was engaged. After being mustered out and receiving an honorable discharge he engaged in farming near Keithsburg (sic), Ill. He leaves two sisters, Mrs. Rose Moley of Down (sic), Kansas, and Mrs. Amanda Cooper of Idaho to mourn his departure.

Martina B Stevens was born in Keokuk county (sic), Iowa, June 18, 1848 and later moved to Keithsburg (sic), Ill. During her time in Chester she was very active in the Woman Missionary Society and was a great worker in the Women's Relief Corps, working in this society for almost 23 years. She passed this life one week later than her husband, July 20, 1924. She leaves three sisters Mrs. Elizabeth

Regester, Chester, Nebr., Mrs. Mahaley Beasley, of Norton, Kansas, Sarah Hollenbeck, Mountindale, Oregon, and two brothers, Wm. Stephens of Quitman, Mo., and Jack M. Stephens of Thomas, Oklahoma.

Mr. and Mrs. Brown were married at Keithburg (sic), Ill., January 3, 1867, and to them eight children were born, four of them preceeding (sic) them to the great beyond. From Keithburg (sic) the family moved to Iowa in 1869 and then to Liberty township, Republic county (sic), Kansas, in 1873 where they homesteaded, passing through all the trials of pioneer life and developing a good farm. Fourteen years ago they moved to Chester where they since resided.

This couple united with the Baptist church (sic) in 1883 and on coming to Chester they transferred their membership to the Church of Christ where they have been devoted members ever since.

Four children mourn their departure: Selden O. Brown, of Oskaloosa, Is.; Henry O. Brown, of Manhattan, Kansas; Mrs. Lon H. Presnall (sic) of Chester, Nebr.; and Mary O. Croop, of Toledo, Washington. Also 22 grandchildren, 10 great grand children and a host of friends mourn their loss.

Both funeral services were held in the Christian church (sic) conducted by their pastor, Rev. McCarthy, in Chester and the remains laid to rest in the Chester cemetery (sic). Mr. Brown's services were conducted on Thursday, July 17, and the services for Mrs. Brown were conducted Tuesday, July 22. - Chester Herald.

HUSBAND - Jackson LaHue (Continued)
(copy) Only located 3 children in FAG.

All info on these children are in the LaHue Family Books that will be coming to the Ft Wayne, In Library soon.

WIFE - Elizabeth Boley

Info from Mrs Dunlap, St Louis 1973 and James O. Boley 1979 and the Lahue book. Info on the children's birth dates were listed in Elizabeth's pension application. Maybe Jackson died in Crawford Co. IN?

Elizabeth and their minor children resided in Crawford Co. IN in 1860 when the Harrison Co. Court appointed John Riley as guardian of the minor children. Elizabeth applied for a dependent mothers pension in 1883, based on her son Isaac's service in the Union Army (Isaac died 1868 of disease contracted in or caused by hardships of army service). On her application, Elizabeth stated that her husband had left her and the children a farm of 117 1/2 acres of badly worn and poor land. She and the children had remained on the land, working it the best they could and in winter she had "spun yarn", quilted and sewed, etc., barely managing to get along, especially while three of her four sons were in the army. After the war, she had sold her interest in the farm and in 1877 had moved from Leavenworth in Crawford Co., to Parke Co. IN (P.O. Leatherwood), where in 1883 she owned a little over two acres.

CHILD 1 - Sarah LaHue

Didn't locate her in Find A Grave.

Info from Mrs Dunlap, St Louis 1973, James O. Boley 1979 and the Lahue Book. Sarah married sometime before 1860 and died abt 1872, shortly after her grandmother Lahues death, but before final settlement of her grandmothers estate. Sarah is mentioned in Harrison Co. IN estate records in 1860 as daughter and heir of Jackson Lahue, wife of Jeremiah Collins. She had died before the final settlement of her grandmother Lahue's estate (died 1871) and Sarah's children were named to inherit her share of the estate. They were all minors in 1872.

IN. John Riley was appointed guardian of George.

He served with the Union Army in the Civil War. He enrolled at Camp Noble in Floyd Co. IN in 1863 (Co H, 13 Regt. Ind. Cavalry) and served until May 1865. He applied for invalid pension in 1869, claiming that typhoid fever and pneumonia suffered during the service had made him a permanent invalid. Pension granted. George's 1915 report to the Bureau of Pensions shows he and wife Rebecca living and listed 6 children.

**CHILD 2** - Catherine Walk

Sources for Catherine: Info from Mrs Dunlap, St Louis 1973 and James O. Boley 1979. She received \$450.00 from estate of her grandfather Isaac Boley in 1863. Was buried at Bethlehem cem near Crandall where her father was also buried. Also buried there is one Mary E. Bringle b. 9 Dec 1860 and died 10 May 1941, and she maybe a daughter, need to check out.

Catherine md 2nd to Harry David Hampton, no date or place.

There are a couple other Bringles there also but don't think they belong here as ages aren't right. (Silas Bringle 1850-1923 and Mary J. Bringle 1851-1924)

Clara's obituary was given to me by her daughter, Fern Bialeschki, in 1980.

Clara Davis LaHue died at the Julia Burnham Hospital in Champaign, Illinois, June 20, 1904, where she had undergone a surgical operation, which it was greatly hoped would save her life. The deceased was the daughter of Fountain and Susan E Davis and was born in Harrison County August 15, 1865. Married Edmond LaHue August 19, 1888 and resided near Hursttown until a few months ago when they removed to Champaign County, Illinois. Before leaving home she told her mother that she had placed everything in the hands of Jesus and would trust everything to His care. She said "It may not be my way, but yet in his own way the Lord will provide." Thus consecrating her all to Christ, she left her husband, six little children, and mother and sister who were visiting her, and yielded herself to the surgeon's knife. After suffering for two weeks she yielded up her redeemed spirit to God and passed to the home which Jesus has prepared for those who love Him. She united with the ME Church and was converted when only a child and was always ready to speak a word for Christ and trusted in God, and was able to commit everything into His hands and as she looked into the face of a possible death went to the surgeons table with great calmness.

Clara's children were given to me by her daughter, Fern Blumfeldt, in 1980.  
Clara (born Laite) died at the Falls Branch Hospital in Champaign, Illinois, June 30, 1961, where she had undergone a  
major operation, which it was greatly hoped would save her life. The operation was the daughter of Edmond and Grace F.  
Laite and was born in Harrison Co, Indiana, August 12, 1909. Married Edmond Laite August 19, 1933 and resided near  
Harrison and a few months ago when they retired to Champaign County, Illinois. Between having found the full list of children  
that she had given everything in the hands of her son and would trust everything to his care. "I am not the way  
but we in our own light will provide." This was something for all to Clara, the full list of children, we have children, and  
grand and great-grandchildren and trusted herself to the surgeon's hands. After suffering for two weeks the terrible  
up her husband went to find and passed on his hands which have been prepared for those who love him. She lived with the  
Mrs. Laite and was converted when only a child and was always ready to speak a word for Christ and would be glad and was  
this at present was living into the hands and so she looked into the face of a possible heaven as to the way of life and

Clara's obituary was given to me by her daughter, Fern Bialeschki, in 1980.

Clara Davis LaHue died at the Julia Burnham Hospital in Champaign, Illinois, June 20, 1904, where she had undergone a surgical operation, which it was greatly hoped would save her life. The deceased was the daughter of Fountain and Susan E Davis and was born in Harrison County August 15, 1865. Married Edmond LaHue August 19, 1888 and resided near Hursttown until a few months ago when they removed to Champaign County, Illinois. Before leaving home she told her mother that she had placed everything in the hands of Jesus and would trust everything to His care. She said "It may not be my way, but yet in his own way the Lord will provide." Thus consecrating her all to Christ, she left her husband, six little children, and mother and sister who were visiting her, and yielded herself to the surgeon's knife. After suffering for two weeks she yielded up her redeemed spirit to God and passed to the home which Jesus has prepared for those who love Him. She united with the ME Church and was converted when only a child and was always ready to speak a word for Christ and trusted in God, and was able to commit everything into His hands and as she looked into the face of a possible death went to the surgeons table with great calmness.

Hi Gary,

Thank you for your response on the corrections. I know they did a lot of work on the LaHue book and most of it is correct but like all others there are few mistakes and sometimes they catch them and sometimes they don't which is why I wanted to point out what I had found thru research myself.

Don't think of yourself as strange, there are a lot of people that are not married and are perfectly happy. My oldest daughter has never married and she says she is not going to either as she isn't going to take care of someone else and she prefers to do her own thing and there is nothing wrong with that. In fact none of my 3 children are married right now. The oldest Sheri, never has but does have a son and the middle one, Gayle has been married and div. and has 2 children that live in CA with their father and come here to visit in the summer and youngest, Larry has been married and div. with no children. Gayle has a daughter before she was md and she lives in AZ and comes couple times year with her son Travis to visit. But everyone is happy doing their own thing and that is great. I had been married the last time for almost 33 years before my husband passed away and had been married before and div. and had never been alone since I was born I guess so I am really enjoying doing my own thing as well.

Genealogy does take a lot of time that is for sure but it is so interesting, isn't it. I do get tired of it sometimes when I get to so many locked doors but I just go to another line and work on that one and just keep going. Sounds like you have really been busy with all the books you have put together as well. I have put together the Dyer family and the Lowe family books and have done some transcribing of census records and had those printed also but haven't done much lately in putting together books. I have been working on many families but there are so many holes I hate to put it together then find the missing pieces later but did anyway for my fathers line of Lowe and my mothers line of Dyer. I did put a book together for a Dyer descendant line of Crandall and also did one on my grandchildrens father's family for them so have been busy over the past 30 years I guess.

Keep in touch and if you find anything real exciting please let me know and I will also.

Again, thank you for the questions. I will answer them in the order that

asked them.

1. The death date for Mary C is from the LaHue by James LaHue and Edith Foster, so I can't say for sure.

2. The LaHue book shows Isaacs death as 1925?, so am happy to get the correction there.

3. Fern always referred to him as Uncle Spenc, so I will change to

agree with the stone. His death date was from the LaHue book as well, so I am

happy to get that correction as well.

4. George D's death date was from the LaHue book.

5. Thank you for clearing Isaacs's children up as well.

6. The picture of Ed LaHue's family was taken in 1900 right after they moved

to IL and three years before my grandmother Nellie was born. She is now

and lives in Port St Lucie, Florida. She never lived Indiana, so does

not know of her people there. Fern was how I got to know them.

To elaborate on myself, I was a strange child always saying I would never

marry. I didn't. I married genealogy instead.

Don't think of yourself as strange, there are a lot of people that are

not named and are perfectly happy. My oldest daughter has never

work on the LaHue book and most of it is correct but like all others

there are a few mistakes and sometimes they catch them and sometimes they

don't which is why I wanted to point out what I had found thru research

myself.

I have photos of some of the LaHues. Cassandra and James Harvey. If you want I will send scans of them. Wish I could attach to email and send, but I don't think Juno will let me do that.

I don't think there are any pictures of Gains and Sarah. I am sure there were at one time, but we have never had any.

Let me know and I will mail them off on a diskette.

Again, thanks for the corrections and ALL of your help.

Hi Gary,

Just a couple things I found going thru your history that may be mistakes or just typed wrong or my info is wrong but thought you needed to recheck some of it to be sure we do have the same info.

Sarah and Gains 2nd child Mary C. I have died 6 Feb 1864 according to records of the cemetery, you had 26 Feb.

Their 6th child, Isaac Boley Lahue died 1916 according to cemetery stone in the Cedar Hill cem as I have a picture of that one. You had 1925.

Child #9, Spencer Wm or Wm Spencer I had died 3 Nov 1940 according to the cemetery stone in Cedar Hill cem. Even though he went by Spencer Wm the name on the tombstone was William Spencer which is what I use.

Their 13th child, George D. according to cemetery records d. 23 Feb. You had 11 Feb.

2nd generation Under Isaac Boley Lahue believe they only had 2 children, Oma and Roy. The one not named in birth records has same birth date as Roy does on his cemetery stone of 13 Feb 1886 for birth date. I believe this was their 2nd child.

That was a nice picture of Edmond and wife and family, have any idea when it was taken?

I know how easy it is to put a wrong date because I have done it and so has everyone that has done genealogy. You have been doing this for a very long time also, which is unusual for someone of your generation. I started in 1969 so next year will have been at it for 30 years and I started way late. I was born in 1935 so am of your parents generation. My three children are 38, 40, and 42. Have 4 grandchildren and 1 great grandchild. My husband just passed away in March so I am learning to do for myself. He had been in a wheel chair for over 10 years so had to do pretty much for myself before so not too much of an adjustment I guess.

Are you married? Your history stopped with info so wasn't sure. You have a very impressive background and sound like your job is very interesting.

Talk to you later. Gladys

Thank you very much for all of the information.

>From looking at all of it, I feel that it is more likely that Margaret,  
Adam &  
George were children of John, but that indicates another wife, before  
Lydia  
Lawler.

Tomorrow I will mail out what I have on Gain's family. Most of the  
family has  
died out, and Edmond's branch will die out with me. Hard to believe out  
of 18  
children, there are almost no descendants left.

Thank you once again.

Gladys,  
Replying to your note

Hi Gene,

I have just finished going over the info on Henry Franklin Boley and we have about the same info except for the last generation you have given me who they were married to which I didn't have.

I did notice a couple differences, don't know if just typo error or what but did want to point them out to you.

You have death date of Henry Franklin as 8 Dec 1946 (correct, I transposed  
Oren's figures, also I had his birth date transposed, should be 3 Oct 1859)  
and according to his obituary, which I have a copy he died 12 Aug 1946.  
Kahoka Gazette Herald  
dated 16 Aug 1946.  
I have picture of their tombstone and it only gives the year.

Also on your parents marriage date, you have 7 Dec 1910 and Oren had 17 Jul and both their obituaries had 12 Jul 1910. Do you have a marriage license to prove your date is correct? (My parents family bible has 12 July 1910)

Also was wondering if the place of Darrell Everett's birth was actually Holt Co. MO (Darrel gave me that information, I will question him about it  
next time we talk, and let you know) as couldn't find a town by that name?  
(could be gone by now also?)

Under Lee Lester Boley's info you had they married 18 Jun 1949 and suppose to be 2 Jan 1923. (You are correct, I dropped down a line when I was  
reading the information) (I believe this was typo as you had their son's marriage same date). Also his wife was Bessie Mattocks according to her obituary from the Kansas City paper.

Three Additions:

Velma May Blum and Charles Galland's third child Judith was married 1st to Walter Quinn Milton. (OK)

Mildred Marie Blum Bash's 1st dau Viona was md to Wilford Eugene Golden. Her daughter, Ophra, Oren had sent name of Eugene Leight and you have Gene Leighty? Do you have reason for the difference? (I got the information

*from Delbert Boley. I will check and see who is correct.  
from Delbert Boley I will check and see who is correct.*

I had Ira's wife Olive Conlee's mother was Mary Melvina Drollinger is that correct? (Not sure what your question is, but Mary Melvin Drollinger is correct)

I hope you don't mind me pointing these errors out to you as know you would want to have the info correct as I do as well.

No problem with the corrections, As you have found out I am not the best editor. I appreciate you taking your time and letting me know. I talked to Virginia, Oren's daughter, over the weekend. She said her dad was about the same. To bring you up to date he had a stroke and is now in a nursing home. She said he has a tough time putting words together, but that doesn't seem to trouble him much. We plan on going up to see them in March.

Also the Boley family reunion is the last Sunday in July in Farmington, Iowa. I plan to go this year. It will be my first since the folks used to take me when I was a kid. It would be great if you could make it.

Gene

I had her wife Olive Conlee's mother was Mary Melvin Dillingham is that correct? (Not sure what your question is, but Mary Melvin Dillingham

correct)

The deceased was the daughter of Fountain and Susan E. Davis and was born in Harrison County Aug 15, 1865. Married Edmond LaHue August 19, 1888 and resided near Hursttown until a few months ago when they removed to Champaign County, Illinois. Before leaving home she told her mother that she had placed everything in the hands of Jesus and would trust everything to His care. She said "It may not be my way, but yet in his own way the Lord will provide." Thus consecrating her all to Christ, she left her husband, six little children and mother and sister who were visiting her, and yielded herself to the surgeon's knife. After suffering for two weeks she yielded up her redeemed spirit to God and passed to the home which Jesus has prepared for those who love Him. She united with the ME Church and was converted when only a child and was always ready to speak a word for Christ and trusted in God and was able to commit everything into His hands and as she looked into the face of a possible death went to the surgeons table with great calmness."</p> <p><b>CHILD 1</b> - Grace Winona LaHue<br/>Info from the Lahue book pg 114. ## **M**ndals again

About 70 Davenport and Bettendorf residents were given an early — and possibly expensive — holiday surprise Saturday, but it wasn't a nice one.

Davenport police said about 50 people woke up to find their car windows smashed. The incidents all occurred overnight and involved vehicles parked on streets throughout the city.

Police speculate that the suspects used a pellet or BB gun to inflict the damage.

The vandals may have been the same people who broke windows on 18 vehicles Friday night in Bettendorf. Three of the vehicles were in the same neighborhood, and all were parked along streets.

Police said the shattered windows were facing the street, adding that the suspects may have been breaking them as they drove past.

The vandalism represents at least the third major window-smashing spree in the Quad-Cities this year.

# Letters to the Editor

February 10, 1977

Dear Editor:

Approximately 70 C.C. R-1 high school students participated as spectators at a trial held in the Clark County Courthouse February 9.

We feel that much learning took place through observation of actual courtroom procedure. I wish to express our sincere appreciation for the cooperation, concern and hospitality extended by the court officials, attorneys, and Judge Cottey.

Ralph Mincemeyer  
C.C. R-1 High School

Dear Friend,

I am a sister of Henry Hesse. Everyone knew Henry. I am 98 years of age and folks say "the minds of old people live in the past."

Can anyone tell me the name of Caleb Woodruff's brother who lived, I think, northeast of Ashton? Brother Henry married Mary Woodruff (Caleb's daughter). So far as I know the family is all gone. The old home is west of Ashton. This Mr. Woodruff had a

daughter who married C. W. Schneider. Her name was Lynn. She had a brother named Austin, and, I think, one named John. Austin often worked for Brother Henry. Lynn and her husband, C. W. (Charlie) Schneider were neighbors of ours when we lived in Granger where I was postmaster 26 1/2 years.

I do not know if Mrs. Harland (Winnie) Merryhew Overhulser still lives at Ashton or not. They, the Merryhews, had the postoffice at Ashton. Do you know where Winnie lives now?

She and Mabel Overhulser sang at my husband's funeral, February 28, 1945 at the Baptist Church in Memphis, Missouri.

My thanks, beyond measure, if you can give me this information. I am the last one of the original Hesse family. My half-brother, John, lives just east of Kahoka.

Abundant thanks,

"Mrs. Harris was friendly, met us at the hotel and drove us around the island and all. But they've known from day one that a blood relative wanted the baby, and they still kept the baby. So I don't have any feelings for them."

the Franks residence. I remember one time of riding with Dr. J.R. Bridges, one of the dedicated physicians of that day.

Another time I remember getting a ride with a Mr. Nelson, quite a student of geology, who invited me into his home to see his collection. His collection of geodes was his specialty. He had many sizes. He informed me his collection was from the banks of the Des Moines River, prior to its entry into the Mississippi. They are a geologic formation which is not found in many places in the world and none so beautiful as the Missouri-Iowa ones. Webster says geode is a stone having a cavity lined with crystals. Mr. Nelson also had Indian artifacts. I have often wondered what, if any, disposition has been made of his fine collection.

Incidentally, there is a 12-pound Indian axe in our State Capitol Museum. The largest ever found and was found along the Fox River in Clark County. It was used only for tribal ceremonies.

With kindest regards to the media and staff, I am sincerely,

Lee C. Smith

## Conger, Parrish Certified Fire Service Instructors

Lyle Conger, captain of the Clark County Civil Defense Rescue Squad, and Jerry Parrish, director of the Clark County Ambulance District, completed the "Certified Fire Department Instructor" course at the University of Missouri-Columbia on July 20. This is the seventh year UMC has offered the certificate.

Among 32 officials completing the course, Conger and Parrish were required to pass a basic fire service proficiency test, complete the 50-hour fire instructor training program, pass exams on teaching methods and techniques, prepare two lesson plans and teach a class from one of the lesson plans.

Eligibility was limited to fire service personnel with at least five years experience and a high school diploma.

Course material covered the learning-teaching process, public speaking, performance objectives, instructional methods, training aids, performance testing, test results analysis, and counseling.

The odds are that 3 out of every 4 people over 65 will develop cataract, but of those who undergo surgery to correct this leading cause of blindness, 95 percent will recover their sight.

Children don't usually complain about a vision problem because they don't know how well they should see. But the odds are one in 20 that a preschool child has some kind of eye disorder.
